4.30-7.30 | Wednesday 30th November | Okehampton College

Who is this event for?

The Train to Teach event is for anyone who is keen to become a teacher, but doesn't feel they have enough knowledge of the paths that are available to them.

'Get into Teaching' will provide you with an idea of a suitable path to take into teaching. Whether you are a graduate looking to train or an experienced professional looking for a change of career, our teacher training providers will be able to provide you with the information you need.

Come along and take the first steps towards becoming a teacher!

What information will be available?

There will be a number of different teacher training providers to talk you through their programmes and provide you with information on the current courses.

Advice will also be available on how to submit a strong application, gain experience and review the necessary qualifications you need.

Finance and funding is an important aspect for training to teach; this event will illuminate resources available to you.

You will be able to find out how you can gain valuable experience within schools as a Teaching Assistant, and the level of locational demand in the South West.
