Policy for the Education of Looked After Children

Rationale

At Clyst Vale Community College we believe that all Looked After Children, and those previously in care should have equitable access to excellent educational provision and achieve at a similar level to all children. We as a community aim to be champions for Looked After Children and take a proactive approach to support their success, recognising that we have a vital role to play in promoting children and young people's social and emotional development. To do this we commit to:

- Raising their aspirations.
- Giving them a sense of the control they have over their own lives.
- Fostering positive attitudes and behaviours.
- Providing continuity and 'normality' for those who may have been subject to emotional distress, abuse and disruption.

Definition

Who are our Looked after Children

Most Looked After Children will be living in foster homes but a smaller number may be in a children's home, living with a relative or even be placed back at home with their parent(s) sharing parental responsibility with the Local Authority.

Under the Children Act 1989, a child is in the care of the Local Authority if he or she is provided with accommodation for a period of more than 24 hours by the Authority. This includes the following:

- (a) Children who are accommodated by the local authority under a voluntary agreement with their parents;
- (b) Children who are the subject of a care order or interim care order;
- (c) Children who are the subject of emergency orders for the protection of the child.

Legal Framework

Legislation and guidance from the Department for Education (DfE) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of Looked After Children.

Schools must:

- Ensure access to a balanced and broadly based education for all Looked After Children.
- Prioritise recording and improving the academic achievement of Looked After Children.
- Prioritise a reduction in the number of exclusions and trancies for all Looked After Children.
- Ensure there is a designated teacher to promote the educational achievement of all Looked After Children who are on the school roll.
- Develop effective systems of communications and protocols.
- Promote the attendance of Looked After Children.

Objectives

At Clyst Vale we aim to ensure that:

In Supporting Looked After Children we will:

- Create a whole school ethos in which all staff understand their role and accept their responsibility as a Corporate Parent.
- Provide a safe and secure environment, which values education and believes in the abilities and potential of all children.
- Bring the educational attainments of our Looked After Children in line with those of their peers.
- Make sure that they have access to education appropriate to their age and ability. This includes access to a broad and balanced curriculum.
- Balance high levels of support with challenge and high expectations.
- Plan for future transitions effectively.
- Have a Designated Teacher (DT) for Looked After Children who will act as their advocate and coordinate support for them, liaising with carers, parents (as appropriate) and social workers on a wide variety of educational and care issues.
-

All staff and Governors are committed to ensuring improved educational life chances for Looked After Children by ensuring that the relevant personnel have reasonable support and time to compete tasks and responsibilities. Also, to establishing and maintaining appropriate reporting and monitoring procedures both within the school and with other agencies.

In addition we will:

- Closely monitor the academic, social and personal progress of all Looked After Children.
- Work alongside social workers and other professionals to ensure that each child in Care has a current good quality Personal Education Plan (PEP) in place which includes challenging, curriculum-based targets and is an effective tool which supports the young person's educational progress.
- Ensure that Pupil Premium funding is used to provide additional, personalised support to improve outcomes for Looked After Children.
- Challenge negative stereotypes amongst students and staff.
- Ensure discretion when addressing a child's care status and the background and family history of children who are in care, especially surrounding teaching and learning relating to the family.
- Ensure a clear protocol is followed in the sharing of information, both within school and with outside agencies.

In pursuit of this Policy we will:

- Nominate a Designated Teacher for Looked After Children who will act as their advocate and co-ordinate support for them.
- Nominate a school governor to ensure that the needs of Looked After Children in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated teacher in carrying out their role by making time available and ensuring that they attend training on Looked After Children.

- Any special educational needs/gifted and talented abilities will be quickly identified and appropriate provision will be made.

- If the child has a statement of special educational need, we will ensure the annual review coincides with one of the six monthly care planning reviews; dates can be obtained from the social worker.

Admissions and Transitions

We will:

- Prioritise Looked After Children within our own admissions procedures and admit students as quickly as possible recognising the importance of re-establishing school stability for Looked After Children.
- Ensure that all Looked After Children meet the Designated Teacher who will identify any relevant issues, academic or pastoral and seek agreement of the child as to who in school should be notified of the child's status.

- Make sure that on admission or transfer all relevant information records are obtained at the outset.

- We will acknowledge attendance in any education meetings, celebrating success and setting realistic targets if it is a concern.

Exclusion (see our Behaviour Policy)

We will:

- Actively follow the DCC Eliminating the Exclusion of Looked After Children Protocol.

Multi-agency liaison

- We will support the child to engage fully in planning and decision making.
- The DT will liaise closely with carers, parents (if appropriate) and the pupil's social worker on a variety of issues, including homework, kit and equipment required. It is important that positive messages about behaviour and achievement are shared.

- There will be a well planned and co-ordinated approach to meeting the child's educational and social needs, for example, whether potentially disruptive changes in school can be prevented.
- There will be a clear understanding about the role and responsibility of staff in relation to the child and the roles and responsibilities of the other professionals involved.
- Our staff will share positive perceptions and high expectations of the child with other professionals but especially with the child.
- We will be aware of and sensitive to the appropriate role of the parents.
- Our DT will ensure that requests from the LA for statistical or other information held by the school are completed and returned on time to comply with statutory obligations.
- We will encourage each of our Looked After Children to access out of hours learning activities realising the positive impact this could have on their self – esteem and learning.

Personal Education Plans (PEPs)

We will:

- Hold a PEP meeting in time for every statutory care review that involves the social worker, foster carers, child and parent if appropriate. Additional attendees may include e.g. Connexions, Educational Psychologist, Education Welfare officer etc. We will seek the views of the child as to appropriate attendees in line with the statutory guidance.
- Have a PEP for each child which includes appropriate targets. This will be compatible with the timing of the child's Care Plan. Other school plans e.g. Statement, Transition Plan, Pastoral Support Programme will feed into and form a part of the PEP.
- Contribute to the process whereby all Looked After Children have a high quality Personal Educational Plan (PEP) in place within 20 days of starting the school. This will include SMART educational targets and will be linked to the child's Care Plan and any other plan resulting from the assessment of the child (IEP, PSP, Statement of Educational Need).
- Seek to nominate our Looked After Children to DCC for the Looked After Children Celebration of Achievement Event.
- Make certain that following the writing of a PEP, any educational recommendations in that PEP will be adhered to by our staff in order that all our Looked After Children have the opportunity to fulfil and achieve the targets set.
- Ensure that Pupil Premium funding is carefully targeted at the Looked After Children and identify clearly how the money is being spent and its impact in raising achievement.
- Make or support applications for a Personal Education Allowance (PEA) e.g. those who are at risk of underachieving academically or for extra curricular activities through discussions at PEP meetings.

School Trips and Special Activities

We aim to ensure that Looked After Children enjoy as many extra curricular opportunities as possible by reserving places for them on trips or enrichment activities for which they are eligible. The responsibility for giving permission for school trips and enrichment opportunities is that of the Social Worker, sometimes delegated to Foster Carers. The person who may give permission will be clarified at the first PEP meeting.

Complaints

If a young person, parent or Social Worker wishes to complain about the provision or policy, they should, in the first instance, raise it with the Designated Teacher, who will try to resolve the situation alongside the carer and Social Worker.
