THOUGHT OF THE FORTNIGHT

"Too many people overvalue what they are not and undervalue what they are."

Malcolm Forbes

Dear Parents/Carers,

Post-16 Open Evening. A date for your diary! Our Post-16 Open Evening will be held on Thursday November 7th, starting at 6.00 pm in the Post-16 block.

GCSE Presentation Evening for Year 12/last year's Year 11. Invitations will go out shortly after half-term, but it will be on Tuesday 19th November, starting at 6.30 pm in the Hall

Ofsted Report

You should have received a copy of the Report and a separate letter today. This is my tenth Ofsted, eighth as a Head, and the Report is undoubtedly the most puzzling I have experienced. It largely describes a school in which students are safe and happy, most are having a good experience and progressing in line with expectations. Our values are clear to all, and embedded. Most teachers are teaching well, and the vast majority of parents are very happy with what we do. "Requires Improvement" inevitably sounds negative, but what it means (to anyone who works for Ofsted, at least) is that a school is providing a perfectly acceptable standard of education for the majority, but needs to improve a few key things. Perhaps after ten Ofsteds I might be a little jaundiced.....

That said, I am not at all complacent, I don't like being Head of a "RI school", and when we are next "visited" in two years' time I am determined that the issues for action will have been addressed. We were already working on improving the curriculum, teaching and learning, and this will continue; we will improve our provision for SEND students (which has been one of the biggest casualties of education funding cuts); and we will tighten tracking of the wider curriculum.

There is one contentious issue for action, namely increasing the number of students opting for a language at GCSE; for years, we have always adopted the principle of choice for students, and although we *encourage* uptake of a language, we have never *enforced* it. In the year where we came closest to enforcing it, we met with a higher-than-normal resistance from both students and parents. When the dust settles, and certainly before Ofsted re-appear, I'd like to return to this issue and canvass parental opinion. There are other factors, but at root this is a clash between two curriculum principles. (As an aside, the report says "most" students do not follow a language; the figure is 70%, which is consistent with many of our local schools and lower than some, who are feeling a bit nervous). (As another aside, I am not implying that languages do not have value, or that I do not support their study. Languages broaden horizons, develop skills and neural pathways, encourage empathy and appreciation of other cultures, support understanding of grammar, and much more. I have benefitted enormously from studying two languages all those years ago. The issue is whether "most" students should be obliged to do one).

Post-16 Open Evening

One of many positives in the Ofsted Report is that our Sixth form was judged “Good”. Please come along next Thursday and find out why! Miss Haynes (Head of Post-16) held an assembly for Year 11 students yesterday, outlining the course choices, entry requirements, expectations, enrichment opportunities, support, and successes; she will cover the same topics in more depth and detail next Thursday, but there is also an opportunity for parents and students to talk to A-level teachers and current students about the courses in particular. I would recommend that any student considering level 3 courses (A-Level or BTecs in Science or Performance subjects) comes along; some may be leaning towards another provider, but just like GCSEs in Year 9 the same principles apply of getting all of the available information before making decisions!

GCSE Presentation Evening

This will be on Tuesday 19th November, starting at 6.30 pm in the Hall. Invitations have been sent this week to last year’s Year 11 students and parents, with a RSVP. It is very important and hugely appreciated if parents could respond to the RSVP, indicating the number of guests; otherwise you may have to sit on the floor..... This is one of, if not the best evening in the College calendar. We are not giving anyone a hard time or providing lots of complicated information. It is entirely celebratory; all students receive their GCSE certificates, and there are further certificates (and a small monetary token) for achievement and progress in each GCSE and GCSE equivalent subject. We are thrilled that our guest of honour will be international rugby referee Luke Pearce, who (as I write) is still in Japan at the Rugby World Cup where he has been officiating.

Staff News

Starting today as Bridge Coordinator is Sean Durkin; hopefully, most parents will never hear from Sean, as it means that their sons and daughters have not been sent to the Bridge for poor behaviour. I am also pleased to let parents know that Miss Izzy Matthews has been appointed Transition Coordinator. On Monday, Mrs Jane Ford will rejoin us and resume her former role in the Skills Room. Because of very serious and confidential personal reasons affecting a colleague in MFL, we welcome back Dr Lucie Emmett for two days a week; even so, there will be some impact on MFL classes, especially in lower years, and I hope that parents and students will bear with us.

GCSEpod

GCSEpod is an excellent way to revise for many students, and has been proven to raise outcomes. So, it’s worth reminding students and parents that access has to be through the College VLE, Moodle, whether access is from College or at home. Please log into Moodle (<http://moodle.clystvale.org>) as normal, then click on the GCSEpod icon (top left) and you will be automatically logged in and will have access. Almost all of the issues getting into GCSEpod are caused by trying to access it from the GCSEpod website directly and not through Moodle!

Autumn Safety

Halloween has now passed, so we move on to fireworks.... I really don’t want to overcook this, especially as fireworks are now so strictly controlled, just to remind students to be safe, responsible, and respect others. Possibly a greater danger is now the darker evenings; students who are cycling, or who have to walk down an unlit road or path from their bus stop, really must be visible to other road users.

UK Youth Parliament

This literally only just arrived as I finished this Newsletter, so apologies it's brief. On Saturday 23rd November at County Hall 10.30 – 2.30 there is an information session for any young person (11-18) who might be interested in standing as a member of the national UK Youth Parliament. More information next week.

YEAR 11 PROM

The final arrangements are being made for the Year 11 Prom and I wanted to provide you with as much detail as possible about the evening to enable you to make arrangements for your child.

This event is being held at Reed Hall, University of Exeter on Friday 26th June 2020. I will provide details of the cost and how to pay shortly. The price will include a buffet, disco, sweet buffet and photographs. We anticipate that students will start arriving from 6.30pm and that most students will have arrived by 8.00pm. The evening will finish at 11.00pm and you will need to make arrangements to collect your son/daughter from the venue.

I am sure the students are looking forward to the prom and will have a wonderful evening.

If you would like any further information, please contact me on 01392 463913 or email pruntyc@clystvale.org

Year 9 Boys' Rugby: Exeter School v Clyst Vale

Clyst Vale's success over beating St Peter's in the previous round of the Exeter and East Devon Cup resulted in a trip to Exeter School last Thursday. Gloomy skies cast over the centre of Exeter didn't bode well, as it turned out for everyone involved, it was a very wet and cold afternoon!

The strong Exeter School side scored many tries in the first half, however Clyst Vale redeemed themselves superbly well in the second, making tackles and metres with the ball with much more conviction and aggression.

As always, the boys were outstanding representatives of the College and always showed a bright and positive approach to everything, both on and off the field.

Well done to the squad: Tom Brooking (C), Ben Waycott, Jed Wade, George Wright, Jonny Baker, Oliver Watt, Ben Heywood-Rose, Joe Clark, Jamie Horwell, Sam Knee, Max Kerlake, Lorenzo Amatuzzo, Felix Bilton, Oliver Clayton, Reese Aldridge, Harrison Rees and Reuben Reed.

Y10 Rugby Report

Well done to the Y10 rugby boys, again this week, as they raised their game to meet the visiting St Peters side. In the grey evening mist the teams lined up with Dom (Captain) organising the team. With a couple of absences the positions were shuffled a bit, but the core of the forwards and backs remained the same. Harry Turner proved a talented hooker in combat but also with the line out throws and Adam Champion, Sam Kerlake, Ollie Tydeman and Sam Walters all played their part. In fact by half time it was the forwards who were showing the Clyst Vale backs how to boss the opposition. As a result Dom had plenty of good ball from the break down and repeatedly released Louie and Tom on powerful runs. Although St Peters opened the scoring it was a try from Tom and then a conversion from Louie that resulted in a 7-5 lead at half time. Josef Welch had some flighty runs on the wing and Joseph Tandy worked hard in the centres as a link player, but struggled this week to find the space he used so well at Okehampton prior to half term.

In the second half St Peters thundered over from close range following an impetuous offside by Harry and the conversion was also scored. Dom rallied the team and after more driving and rucking from the forwards it was the captain himself who stole round the blind side to slide in for a try. Scores even and a difficult conversion missed. 12-12 was a fair result and the hand shakes were sincere. Man of the Match: Dom Boots-Hutchings - excellent kick chases, near faultless one on one tackling, a match saving try, but equally the way he spoke to and treated the opposition players.
