“Reading is to the mind what exercise is to the body “

Sir Richard Steele

Dear Parents/Carers,

“Patience and Cowardice”

A couple of weeks ago, our thought for the week was George Jackson’s “Patience has its limits. Take it too far, and it’s cowardice”. There are a couple of issues on which we have been very patient for a long time, but without any noticeable impact or improvement, and if we let them carry on into the next school year 2018-19, we could be accused of not addressing them. I refer to smartphones and College uniform. We are increasingly concerned about the impact of smartphones on learning, students’ welfare, and behaviour; next week we will issue a very quick survey to gauge parents’ opinion on three possible ways forward. The uniform issue is “waist down”, ie skirts and trousers; colleagues are spending far too much time on these issues and interpretations of what is acceptable and what is not. We are currently investigating our options and will issue a proposal to parents before Easter, so that if we make changes there will be plenty of notice before buying uniform in the summer term or holiday.

Operation Encompass

Parents and carers you will receive a letter shortly explaining that Clyst Vale is now an “Operation Encompass” School, and very proud to be so. This is a Police-backed scheme whereby schools are notified of any domestic violence which might affect a child before the child gets to school in the morning. This is a brilliant initiative, as it can be extremely traumatic for a young person to turn up and go into lessons as if nothing has happened, or even worse get into an argument because they are upset and nobody knows why. Operation Encompass allows us to intercept the young person and support them appropriately, whether this is “business as usual” or time and space to think and talk..

The Battle of Boat

It’s production time next month! The Battle of Boat may not be as well recognised as some musicals, but it’s going to be another superb Clyst Vale show. It’s set in World War I, appropriate as it’s the 100th anniversary of that conflict ending; it involves strong themes of childhood including friendship, loyalty, finding your place in the world, and standing up to bullies; there are a range of songs, some beautifully poignant; it’s described as “a courageous tale...heartwarming, funny, emotional and exciting, a true celebration of the steadfast British spirit that shone through during WW1”. I was lucky enough to see Act One in rehearsal last week, and I’d vouch for that description. It has not been staged many times outside national theatres, so once again we’re trailblazing. Put the date in your diary: Wednesday 14th to Saturday 17th March (matinee *and* evening performances on Saturday), all performances at the Barnfield Theatre.

Year 9 Options Evening

The next big parents' event is the Year 9 Options Evening next Tuesday. There will be a talk outlining the process and the principles behind making a good choice at 4.30 pm, repeated at 6.00 pm. Representatives of all of the Options subjects will be present to discuss the different courses, assessment, skills and qualities required. For the early part of the evening, representatives of the Core subjects of English, Maths and B&V will also be present should parents have any queries. As I said last week, it is always helpful if students are able to attend: there is nothing we would say to a parent that we would not wish to say to a student.

Creative Subjects

There was a major news item this week about how Government policy promoting the EBacc and accountability changes emphasising "academic" subjects is driving creative and design subjects out of the curriculum. At Clyst Vale we believe in maintaining a broad curriculum, and continue to offer Art, Music, Drama, Food and Design Technology for all students in Years 7-9, and as GCSE options in Years 10 and 11. Numbers of students at GCSE vary from year to year, but there are no plans to cut creative or design subjects on a permanent basis. The BBC link is <http://www.bbc.co.uk/news/education-42862996>

Funding: the "Worth Less?" Invoice

Also hitting the headlines in this week's national media were the "invoices" sent to Chancellor Philip Hammond on behalf of 32 local authorities; Devon Schools' was for £150m, which represents the shortfall in funding owed to us, compared to Westminster. The difference is stark. The age-weighted pupil unit (the amount of funding a school receives per pupil) in Hackney (lower than Westminster) will be £7840, but in Devon £4884. For a school the size of Clyst Vale, and not including Post-16, we would receive over £2.25m each year every year. This sort of funding could pay for twenty additional staff with plenty left over for equipment and refurbishment of key areas.

Safer Internet Day 6th Feb

Next Tuesday is Internet Safety Day, so we will be holding specially-themed assemblies and lessons in ICT. We had hoped to run special sessions with external input, but for reasons beyond our control our provider is not available until after Easter. In some ways, this does not matter – internet safety is an issue all year round, not just February.

Gurdwara Trip

I was very fortunate to accompany the Year 9 B&V visit to the Gurdwara Sri Guru Singh Sabha in Southall, London. Therefore, I saw at first hand the excellent organisation by Ms Brotherton, and how brilliant our students are when away from the College. Despite a 6 am start, the journey up was uneventful; the students observed all the expectations in the Gurdwara perfectly and respectfully, including eating the langar meal; many asked good questions of our tour guide; all were sensible and responsible in our brief time in Southall High Street to experience a multi-cultural environment very different to Devon; and although seemingly fuelled on sugar, the journey back was good, too. Thanks to Ms Brotherton, Ms Jenkins and Mrs Manaton for their skilful student management.

Sound of Sirens Singing Workshop

It was great to welcome back former student Abbe Martin, who sings in the band Sound of Sirens. Abbe led a singing workshop for particularly able singers, which went brilliantly and was a thoroughly enjoyable day for all involved. Abbe returns to run a second workshop after half-term.

Women into Science

We have invited Ed Horncastle of the Institute of Physics to run lunchtime sessions to encourage more able Year 9 girls into thinking about Science. Starting after half-term, Ed will be running one lunchtime session each half-term.

“Inherit the Truth”

Four Year 9 students Daisy, Lilly, Jack and Keera, accompanied by Mrs Padden and Miss Matthews, attended the Inherit the Truth recital at Exeter Cathedral yesterday, part of the city’s commemoration of Holocaust Memorial Day.

Attendance letters

Recently, we sent out letters to parents of students with attendance below 90%. Although this is standard practice in most schools, and not a new thing at Clyst Vale, it caused some concerns. The basic principle is both common sense and evidenced statistically: there is a strong correlation between good attendance and good achievement; in other words, the more a child goes to school, the better they do, while students with low and patchy attendance fare worse. The position on attendance is reasonably straightforward; it is a performance indicator for schools, because schools are expected to encourage and if necessary enforce good attendance. “Good” attendance is not defined, but is universally recognised as 95% for both a whole school and an individual. Therefore, we will inform parents where attendance is below 90%, and have a conversation: in many cases there are genuine reasons for a temporary “blip” in attendance, in others we can offer support, and in a small number we will be advised by our Education Welfare Officer to follow the route of prosecution for non-attendance.

Kirkland Rowell Survey

I’m sure all parents and carers of Year 8 students upwards have been thinking, “where’s the annual Kirkland Rowell parent survey?”. It’s on its way! For Year 7 and other new parents, we conduct a major independently assessed survey of our provision every Spring Term, and publish the results. It helps us in our self-evaluation and gives a good idea of parents’ priorities. The exciting news is that unlike the reams of paper we used to send home by pupil post, we are experimenting with running the survey on line. A letter will go out next week, and the survey will be open from Monday 19th February until Friday 6th March.

SPORTS NEWS

U13 Boys Rugby Play Out Entertaining Draw with Haygrove School

Congratulations to the U13 rugby squad which played out a very entertaining 25-25 draw with Haygrove School, Bridgwater on Wednesday evening.

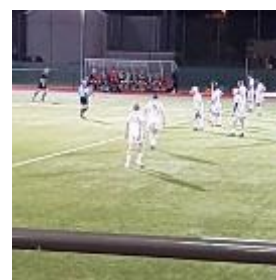

The lads, bolstered with students from both Year 7 and Year 9, played very well and with grit and determination in a high scoring game. Tries from Man of the Match, Tom Massey, skipper Dom Boots-Hutchings, Josh Worlin and Year 7 Harvey Tarrant put Clyst Vale in a strong position to win the game, however Haygrove pegged them back with late scores for a fair and deserved draw.

Congratulations to the squad: Dom Boots-Hutchings, Luke Williams, Jack Galliford, Josh Worlin, Tom Massey, Joe Tandy, Sheykie Campbell-Lowe, Harri Turner, Oliver Tydeman, Ed Sleep, Dylan Cadwallander, Charlie Blackburn, Tom Brooking, Joe Fellows and Harvey Tarrant.

Joe Blackburn (10GBA) represents Exeter Chiefs Academy U15's

Congratulations to Joe Blackburn who represented the Exeter Chiefs U15 Academy last Friday evening in a match against the Newport-Gwent Dragons. Joe played at Outside Centre for the game and thoroughly enjoyed his experience.

Pictures show Joe with team mates and playing. We wish Joe all of the very best for his future training and experiences.

You need to let the College know of any absence on the first day it occurs. If you do not notify the College, then your Assistant to Head of School (AtHoS) will contact you to identify the reason for absence.

This will help to reduce unauthorised absences and truancy.

Please note, the College may ask you to provide medical proof if a student is absent from College due to illness.

School Transport

1. Clyst Vale supports the (DCC) Devon County Council's "No Pass No Travel Scheme" that operates on transport to and from this College.
2. Only students who show a valid travel pass to the driver **on every journey** will be allowed to travel. Students must travel on the vehicle indicated on their pass.
3. **Please ensure that your child has their travel pass before they leave home every day.**
4. Please ensure that your child knows what to do in the event they are not allowed to travel or the bus does not arrive (e.g. because of breakdown or traffic conditions or severe weather). College attendance is very important and it is best to be prepared for any of these eventualities.
5. DCC will carry out regular pass checks throughout the year.
6. Drivers are not allowed to carry passengers who cannot show a valid pass.
7. If your child loses their pass during the day they should go to the AtHoS offices to ask for a 10 day temporary pass. Replacement passes cost £5 each and can be ordered online, or by sending a cheque with a replacement form.

COLLEGE DRESS

Clyst Vale aims to maintain a simple pattern of College dress to promote a clear sense of identity and enable students to come sensibly dressed, at reasonable cost, for a range of learning activities. If a student is improperly dressed, correct uniform will be provided for that day or the student may be sent home to change his/her clothing, at the discretion of the Principal.

If parents are in any doubt about the suitability of an item of uniform they should check with the College before buying it.
