THOUGHT OF THE FORTNIGHT

"To be yourself In a world that is constantly trying to make you something else is the greatest accomplishment" **Ralph Waldo Emerson**

Dear Parents/Carers,

GCSE Presentation Evening for Year 12/last year's Year 11. This will be on Tuesday 19th November, starting at 6.30 pm in the Hall (and see below)

Post-16 Open Evening

Thank you to parents/carers and Year 11 students who braved a chilly November evening to visit our Open Evening last night. Similarly, many thanks to my colleagues and to our wonderful Sixth Form helpers. The Sixth Form is very much part of Clyst Vale's ethos, although in practicalities it has a degree of separateness and different rules and expectations in keeping with the transition to adult life. We run predominantly A and AS-level courses, a surprising range for our size, as well as some BTEC Level 3 courses. Respect, Participate, Learn are all central, with activities and opportunities commensurate with the age range of students. If you were not able to attend last night, don't worry: please contact Jassy Barrington on barringtonj@clystvale.org or 01392-462697, and make an appointment for a meeting and/or a look round.

TPRs

I am very sorry that there was an error with the issue of TPRs this week, which will have been a bit confusing for parents of Year 7 and other new students. After a second error (for which I apologise unreservedly) you will have received a separate, more detailed letter from Mr Bailey via InTouch, but in brief we are in the process of improving TPRs, and the key was omitted. The key for **all** year groups (7-8, 9-11) is as below, with Years 9-11 also containing GCSE grade information.

KEY – Achievement/IPC:

- + Rate of progress above expectations
- = Rate of progress in line with expectations
- Rate of progress below expectations

IPC:

Independent Learning – Learning 'outside' the lesson, including home learning
Purposefulness – Sticking to task, persisting and not giving up
Co-operation – Interacting positively and productively with teacher and fellow students

I completely understand that some parents may have had their confidence dented in our "systems", and the best way of rectifying that is to point out that the technology has worked well in the past and (tempting fate) will be fine the next time. We also had a version of the London bus scenario when all the mistakes came at once. Once again, many apologies for any confusion and concern.

GCSE Presentation Evening

Please spread the word to all of last year's Year 11, the class of 2019, that the GCSE Presentation Evening is on 19th November at 6.30 in the Main Hall. They will be presented with their certificates by guest of honour and international rugby referee Luke Pearce, and will be able to collect their Yearbook (assuming they've paid for one!). As I said before, there will be individual subject awards for best achievement and best progress, as well as an overall award for the same categories. It's always an enjoyable and positive occasion, and I look forward to an excellent evening a week on Tuesday.

Water Bottles

It appears that a surprisingly high number of students come to school without a water bottle of any description, and may not be drinking at all during the day. Yes, we *currently* sell both still water and flavoured water in bottles, but this is an expensive option, and there is a growing pressure from students and staff to discontinue bottled water as often it is a single use of plastic. My immediate concern is that some students may not be drinking sufficiently, and I would urge all of them to have some means of drinking and carrying water.

Politics Weekly

Well, there's quite a lot happening all of a sudden, so I'm mulling over whether to have a regular column called "Politics Weekly"....

Firstly, schools and Headteachers must be politically neutral, and this is wholly correct and proper (I'll return to this in a minute). Next, as a Rights Respecting School, we are perhaps more committed than some schools to promoting key values including democracy and the rule of law. This, with our core function to educate, means that we are currently – today, literally - engaging with the voting process for Youth Parliament issues. In previous general elections, we have organised a hustings for the local parliamentary candidates: obviously this depends on their diaries, but is something we are actively trying to organise. If not, and possibly in addition, we will run a mock general election based on national issues.

The UK Youth Parliament will soon be holding elections for new representatives. I mentioned this briefly last week. If any student might be interested, Mrs Battishill will be holding a meeting on Thursday 14th Nov at 1.45pm in HU2. There will also be a major briefing event at County Hall on Saturday 23rd November 10.30 – 2.30. The UKYP link is <http://www.ukyouthparliament.org.uk/elections/i-want-to-stand/>

Meanwhile, the results of the national issues for which students (including ours) voted have been announced. It is no surprise perhaps that the environment is the major issue causing great concern to our young people; the other top issues which will be debated and promoted are putting an end to knife crime; mental health; putting an end to hate crime; and a school curriculum which better prepares young people for adult life. More information can be found on: <http://www.ukyouthparliament.org.uk/2019/news/climate-emergency-declared-biggest-issue-facing-young-people/>

In the 2017 general election, school funding emerged as a surprise issue on the doorsteps of Britain. This is where I have to tread carefully to be politically neutral! The WorthLess? Campaign will continue to press the issue nationally, but we have to be circumspect and observe the etiquette surrounding “purdah”, the period in which there is technically no government and when the electioneering happens. As you’ll have read before in the Newsletter, the last government announced £14.1bn for education spending, although this was later seen to be not quite as generous as first thought, and some commentators think was a move to make sure it did not reappear as a surprise issue. That to one side, it would be great if school funding reared its head again, alongside the major issues such as Brexit and the NHS. If any candidate comes anywhere near me, I shall be asking whether they are happy that Devon children are worth £268 less than the national average for per-pupil funding, and what they propose to do about it; I will also ask what they propose to do about the acute crisis in special educational needs funding, and their plans for restoring all the support services which used to be external but are now taken on by schools in addition to the daily task of education. If you bump into a parliamentary candidate, please feel free to borrow my questions!

Uniform

Is still really good, and we are still very grateful to parents and carers for your part in this! As the weather gets colder, the good news is that boys wear jumpers more often so their shirts are automatically tucked in. The less good news is that girls wear black tights more often, which seems to encourage or empower them to roll the waistbands of their skirts, sometimes to a length that is just too short by anyone’s standards..... The latest fashion trend is a jewellery item, large hooped earrings sometimes affectionately known as “parrot perches”; we allow small stud earrings only. I’m also very aware that we tend to tell students what to do about uniform, and not always why; it’s because a smart appearance is more likely (albeit not guaranteed) to lead to a smarter attitude to learning; to a feeling of pride in the uniform and thereby the College; and, because of the British culture, it does reflect well on our reputation.

YEAR 11 PROM

The final arrangements are being made for the Year 11 Prom and I wanted to provide you with as much detail as possible about the evening to enable you to make arrangements for your child.

This event is being held at Reed Hall, University of Exeter on Friday 26th June 2020. I will provide details of the cost and how to pay shortly. The price will include a buffet, disco, sweet buffet and photographs. We anticipate that students will start arriving from 6.30pm and that most students will have arrived by 8.00pm. The evening will finish at 11.00pm and you will need to make arrangements to collect your son/daughter from the venue.

I am sure the students are looking forward to the prom and will have a wonderful evening.

Year 8 Netball

Well done to the Year 8 Netball team that played against West Exe on Tuesday evening!

Both teams played brilliantly interchanging players so everyone had a chance to play - great teamwork and respect shown by all players.

The first team playing won 6-1 and the second team that played were equalising until we had a golden goal by West Exe so unfortunately lost 7-6!

Unfortunately our game against Tavistock next week has been postponed so the next away game is against Honiton on Tuesday 26th November.

Year 7 Rugby

CVCC 15-20 QECC:

The Year 7 lads did brilliantly on Thursday night, just being edged out by a strong QECC side. Unfortunately, Clyst Vale were only behind once in the game, with this coming with QE's last try. George Craig and Charlie Williams (2) were Clyst Vale's try scorers with great finishes but there were stars all over the park, with Dan Baker man of the match for his very abrasive defence. Well done to all of the squad who have their next game versus Cullompton Community College on Wednesday next week:

Lenny Bolt, Charlie Williams, George Craig, Oliver Back, Dan Horn, Jack Howes, Fletcher Sherwood, Henry Fenner, JJ Slater, Dan Baker, Jack Darbey, Alex Glassborow, Jaden Hooper, Toby Brooks, Oivier Krzemien, Dillon Burt, Callum Fincham.

Netball Year11—Thursday 31ST October— St Peters lost 15-8

Year 11 got to warm-up and get ready for their game. Lily Mcpahee (Captain) motivated the girls ready for their game. St Peters were playing well and got the first couple of goals, so CVCC had to re settle and fight back. The girls controlled the game well. Anya Turner and Libby Windle were intercepting balls well at defence and giving us the attack, working up the court to Lilly creating attacking opportunities. Lucy Reed, Flossy Voaden and Chloe Elliot netted well and the game at half time was St Peters ahead by 5. The game was end to end action for the final 2 quarters. Mid court Grace Jeffrey, Emily Taylor and Maisy Cromwell used our set plays well to help the Clyst Vale team. A good match played with the Year 11 and the final score was St Peters taking the lead 15-8. Player of the match was Lucy Reed.

Netball Year 10A Triumph Win 10-2 against St Peters

A victorious match, winning the game 10-2. Throughout the game the ball was mainly down the attacking end of the court . Summer (our C) often gave lovely passes to our (GA) Lara or to our (WA) Emily P and then to Emma (GS) or back to Lara to shoot. Defensively we were good when needed and Emily (WD), Lauren (GD) and Ellie (GK) often intercepted ,caught or blocked the incoming ball and as a result they only scored 2 in the entire game! However we scored 10 goals and played better netball . Specifically, our team work and communication was great and that therefore made sure that we made fewer mistakes! Another point was that we dominated the play by keeping the ball and if we lost it we made sure we worked hard to get it back. Overall a really enjoyable game!

Player of the match was Lara Gimbuta and Emily Pattison.

Written by Lara Gimbuta - Team Captain for the game

10B We lost 12-1

The score was 12-1. In the first half we tried very hard to get points and good attitude, however we could've slowed the play down more and thought about the passes. In the second half we tried to slow down the play and finally managed to score for our B team. I believe B team are a good team and could definitely win a match. It was an enjoyable match and was good to see how we were as a team, how we could play and showed how I would definitely want to do it again.

Captain Maddie Phillips.

All three teams have been working well at Club after school on a Thursday and we are having more and more girls join club, which is brilliant. Numbers are up to 30 plus. We have been working on tactics and the 10B second half worked well and kept St Peters at bay making it a tighter defensive second half. Well Done!

10A Game the passes were connecting well and pockets used well to allow us to confidently net shots from all areas of the D and won. Well deserved 10-2.

Well done to all three teams! Next weeks game: Year 10 and Year 11 v Uffculme and Home on Thursday 13th November.
