## THOUGHT OF THE FORTNIGHT

*"Find ecstasy in life; the mere sense of living is joy enough."*

Emily Dickinson (d.1886)

Dear Parents/Carers,

Another busy old week!

### Transition

Last week's three transition days met their prime objective, which is to make sure that the majority of pupils are confident and excited about starting here in September. Inevitably, there are exceptions for whom change and transition is particularly difficult, and our Additional Support and pastoral teams are working to provide extra support. Similarly, the clumsily-named New Intake Parents' Evening met its aims of parents meeting their child's tutor, and receiving the necessary information. This included the "Essential Guide to Clyst Vale", which can also be found on the website.

### Rights Respecting School

At the same time as the launch of the RRS Charter, our fantastic Amnesty Group conceived, created and produced a video which is now live on YouTube. The whole point of the video is to encourage people to stand up and take action against human rights abuses, big and small. Please be inspired by it and do something yourself. It takes two minutes to sign a petition or to send an email standing up for issues that really matter. The link is [https://www.youtube.com/watch?v=Apzpj\\_BgWYA&feature=youtu.be](https://www.youtube.com/watch?v=Apzpj_BgWYA&feature=youtu.be)

### Sports Day and Festival on the Field

Tuesday was one of the very best SD&FoF we have ever had. Without exception, these days are always very good, so it's difficult to explain why some just "feel" better. I think it boils down to the relationships, attitudes and behaviours of students and staff. It was Sports Day, so it was competitive, with long-standing records broken, Yellow School delirious with their overall victory, but it was competitive in the right spirit. Although there are spots during the day when students are not active, there was no poor behaviour. The organisation ran incredibly smoothly, everything from races to field events to the other sports to the BBQ, and my colleagues deserve huge praise for making it so. The music was also excellent, with established performers and emerging talent contributing to the day. Even the weather was kind: it was hot in the morning, but clouded over in the afternoon; students coped brilliantly (with parental planning), and I don't think there was a single beetroot-faced child turning up on Wednesday morning.

## **Next Week**

We don't run an "Activities Week" in the same way that some schools do, but there are so many trips and activities next week that there are strong similarities. Clearly, there will be widely varying numbers of students in College on any given day, and certain key members of staff will also be absent for differing amounts of time. For example, Mr Pearce (Green School) is in Bude, while Mrs Grant (Red School AtHoS) is accompanying the Paris Trip; therefore pastoral issues might be picked up by someone else. Another issue is food at break and lunchtime: the Giraffe House serveries will be closed, and to avoid excessive food waste there will be a slight reduction in the range of hot and cold food offered. In terms of lessons, some year groups will have normal timetable with reduced class sizes (Years 7 and 9), while Year 8 will have a different timetable of activities which are designed to be very different from normal lessons, and hopefully some fun as the rest of the Year Group are in Bude!

## **Rugby World Cup**

This was an excellent and well-supported inter-School competition in advance of the "real thing" in the autumn. In the girls' tournament, the winners were Ireland, appropriately represented by Green School, namely: Eloise Blatchford, Rachel Brown, Ruby Davidson, Sophie Elliot, Liberty Holden, and Lucy Massey. Fiji (Green) were runners up, Tonga (Red) were Bronze medal winners. In the boys' competition, England finally won something, thanks to Olly Bunkum, Connor Brooks, Sheykie Campbell-Lowe, Dom Boots-Hutchings, Jack Watts, Daniel Martin and Charlie Watkins of Yellow School.

## **Stop Press: Annual Awards 2018-19**

At a whole-College Assembly today, the winners of the annual awards were announced. There will be more about this and the Assembly next week ! Congratulations to the following students:

Caring Cup – Harry Price (Y13)

Citizenship Shield – Charlotte Goddard (Y8)

Ostler Award for Personal Achievement — Bethy Lawrence (Y9)

Pope's Challice for Performing Arts – Tom Palmer (Y13)

Spirit of Devon Award – Harry Boston (Y9)

Tolman-May Award – Harrison James

## **Staff Changes**

Also at the Assembly students applauded all of the staff who will be leaving at the end of this term, and I will cover this in next week's Newsletter. Unfortunately, I forgot to make one very important announcement, and apologise to all concerned. Mr Bailey has been seconded on to the College's Senior Leadership Team for two years, and therefore will relinquish his Head of Yellow School role. I am delighted to announce that Miss McConnachie, currently a Yellow School tutor and our Transition Coordinator, will become Head of Yellow School from 1<sup>st</sup> September.

Best wishes,

**Dr Bawn**

## Wanted—unwanted smart phones for experimentation

If you have any unwanted smart phones we can use them in science to carry out experiments using free apps such as phyphox. Smart phones are packed with sensors which we can use to automatically record data and enhance practicals. So, if you have a smart phone you would like to donate to science please reset the phone to factory settings (this will wipe all of your data off the phone and allows us to create a new login, see links below) and pass it on to a science technician or science teacher.

## Match Report- England Rounders Nationals 2019

Thursday 4th July

Rippon was the first school we played. We have about 20 minutes to warm up as we were on for the first match. The team for the first game was Josh, Emily P, Summer, Lara, Joe, Sam, Emily C, Will and Max. We played very professionally and co-operated very well which therefore enabled us to catch people out and stump them out. Overall the game was a lot of fun and the England rounders umpires praised us for our level of play which was very motivating. Furthermore our batting was also very good, not only that but our mentality when we or if we got out was exceptional! The overall score for the game was 4 rounders to us and 4 ½ to them. It was very close but we walked out with our heads up high!

On the second game we played Oxford Academy and we got 4 people out at the very start of the game! This was because of our tight fielding across the whole field. With Finley Burston on 1st post getting many people out with Dom Boots-Hutchings as backstop, doing a fantastic job at throwing the ball accurately and fast. Emily Pattison was on second with some great catches from backstop to stump people out.

The third game was against St Peters. We started batting and we were good overall and had some nice hits but most of them went upwards and St. Peters had some really good catches so managed to get 5 of us out at the beginning. But despite this the team spirits were not shaken we all stayed positive and that brought the amazing fielding out of us all. Sheykie Campbell was a great receiver on second base and got many people out. Will Jerney threw some very accurate balls straight to Sheykie who had lightning speed reactions. The pair were unstoppable! There were only 4 batters left in the end of the inning and they were Summer Harlow with some amazing strong hits, Kerensa Hurren who looking for space all the time and had her eyes on the ball the whole time, Emily Clayton had some great hits and was always there to cheer on her team, Tom Massey was also doing some strong hits and pelting around the pitch like a very tall pocket rocket!

The fourth game was against one of the harder more experienced teams and this was a big influence to whether we got through to the quarter finals or not. We were against Shienfield High School and they had some amazing bats. They went miles! Luckily Max Walker was right there to catch all of the far shots. He quickly snatched them up and threw straight to fourth with an amazing arm! Josef Welch also had a great catch and got several people out at first base. We only lost this game buy ½ a rounder and we were all ready for our next game.

The wait was now. We had a tense wait to find out if we had gone through. While we waited we had many fun games of catch and Miss Broomfield treated us all with a ice lolly to cool us down as it was really hot. We were so surprised to have got through to the quarter finals and then there was a rush to prepare us for the next big game. This next game came with a lot of pressure as it was the game that decided whether we follow through into the rest of the competition. Our team were one of the strongest teams in the whole competition so we went in with the mentality to do ourselves and the school proud!

This game was against St. Martins school, Essex. Emily Pattison and Josh Worlin came down as Co-Captains of the team and flipped a coin to see who batted first. We fielded first and played the best we had yet as a team! The first three batters on the other team were the best in the team. But that didn't stop us, within their first bat Dom Boots-Hutchings had his eyes firmly set on the ball and when it came to him , he threw straight to Emily Pattison at second who stumped the base quickly and got them out. We managed to do this with several players and that gave us a brilliant motivation and head start. Sam Kerslake had some brilliant bats and was between 3rd and 4th . We all worked the best we had yet as a team and played superbly well on the pitch.

Then it was our turn to bat. We had an impressive 8 ½ rounders to beat. We started off strong with one of Max's signature smashes and gained us half a rounder as the opposing teams tight fielding delivered the ball speedily to third. Next to bat was Lara Gimbuta who had a great bat into a broad space as well as a great arm from when she was fielding. She was a confident, positive batter to lead the way. Josh Worlin then followed with some very strong hits but unfortunately were caught extremely well by some opposing fielders. Emily Clayton had a strong hit and took a strong run to second to gain an important ½ a rounder for the team. St. Martin's with some very strong outs at 1st as their backstop was very quick if our batters missed. Ellie Hooper was about to get to 4th and score a rounder after an astonishing back hand but unfortunately the ball got back just before her.

That concluded our last game which despite loosing we were all very proud of ourselves. We all had an amazing day and loved spending time with each other in the lovely sunny weather. Max Walker and Josh Worlin won the title for players of the Tournament! Winning a melted ice lolly! We were all also given an England Rounders water bottle as commendation for how far we had got for our 1st ever nationals!

The team:- Josh Worlin and Emily Pattison (Captains), Lara Gimbuta, Summer Harlow, Emily Clayton, Ellie Hooper, Kerensa Hurren, Max Walker, Tom Massey, William Jerney, Sheykie Cambell, Fin Burstn, Sam Kerslake, Josef Welch, Dom Boots-Hutchings

Above is a match report written by co-captain Emily Pattison summing up the day well.

It was a long day with a 5am start and a hot journey in the minibus up to Leicester, the pupils were fantastic and a true credit to the school. They all played their socks off and were great support to each other throughout the whole day. The students I was so proud of each and every one of them for their skills throughout the day. The students played well and were wonderful of the pitch too. A very enjoyable trip and well done to every member of the team. A pleasure to take. Clyst Vale Year 9 Rounders team are now the 6th best in England!!

### **Clyst Vale Inter-School Girls Touch Rugby World Cup**

Throughout all of last week, girls across all three schools competed for 16 various teams based on the countries representing at the Rugby World Cup 2019 in Japan, later this year.

The tournament is designed to integrate all girls in their respective School from Year 7 through to 10 and follows previously successful events such as RWC 15', Euro's 2016, Champions Trophy Cricket 2017 and Football World Cup 2018.

Girls rugby, at both contact and touch/tag level has a very strong reputation and history at Clyst Vale, with the tournament offering an opportunity for the girls to get involved in the game again or for the very first time.

The girls started the competition on Monday 1 July, with the turnout being excellent. The opening ceremony and first game settled the girls into the tournament well, with Tuesday bringing about the final two group games, to determine the top two in the group that would progress to the Quarter-Finals on Wednesday.

Green School made up four of the eight teams progressing, with Ireland and Argentina winning their groups without a loss and Fiji and Italy finishing runners up and progressing too. Red School had group winners in Japan and runners up in Tonga and Russia. Yellow School had the sole representation, very different to the boys only a week earlier, with New Zealand getting through undefeated.

#### **Quarter Final 1:**

Pitch 1: Ireland 4 v 3 Italy

#### **Quarter Final 2:**

Pitch 2: New Zealand 2 v 7 Russia

#### **Quarter Final 3:**

Pitch 3: Argentina 3 v 5 Fiji

#### **Quarter Final 4:**

Pitch 4: Japan 7 v 10 Tonga

All quarter finals were highly competitive with Ireland the only team to maintain their 100% winning record by narrowly overcoming Green rivals, Italy. Red School's Russia upset the formbook, despite one previous win, with Fiji and Tonga winning their respective school derby's.

#### **Semi Final 1:**

Pitch 1: Ireland 6 v 4 Russia

## **Semi Final 2:**

Pitch 2: Fiji 6 v 5 Tonga \*AET

Both semi-finals were superb games, with great handling, running and evasion skills on display.

Fiji overcame Tonga in a very tight and dramatic affair, going down to a 'Golden Try' after extra time, which brought about an all Green School final and all Red Bronze Medal match on Friday.

## **Bronze Final:**

Pitch 1: Russia 2 v 3 Tonga

## **Final:**

Pitch 1: Ireland 4 v 3 Fiji

Both games were a fitting finale to the competition on Friday lunchtime, with Tonga edging out Russia in the all Red School game to finish third overall and Ireland coming from behind three times to overcome 2015 winners Fiji and finishing the tournament as unbeaten winners.

**Congratulations to Ireland. Made up of:- Eloise Blatchford, Rachel Brown, Ruby Davidson, Sophie Elliot, Liberty Holden and Lucy Massey.**

The week of competition was truly superb, with all girls being very considerate, cooperative yet participating in a competitive, yet measured manner.

A huge thanks must go to the Year 7, 8, 9 and 10 boys who officiated in the competition, along with staff.

Very well done to everyone who competed and also to the PE department and other staff who supported the competition.

**Mr Pearce**
