Week A

### **THOUGHT OF THE FORTNIGHT**

"The great aim of education is not knowledge but action." Herbert Spencer

Dear Parents and Carers,

### **Covid Changes and Reminders**

Blimey, it's hard work keeping up with all the national changes at the moment. Like a strange version of musical chairs, this is where the music has temporarily stopped for the moment:

- Please keep up twice-weekly testing, and report results to TestRegister and to the gov.uk website. This is more important than ever.
- If you/ your child has covid symptoms (the "old" ones high temperature, persistent cough, loss of taste/smell) please get a PCR test and isolate until the result is known. There is now no need to have a LFT first and then get a confirmatory PCR.
- If you/ your child has a positive LFT result, please isolate.
- Whether PCR or LFT, the test date counts as Day Zero unless advised otherwise by NHS. Isolation can end after two negative LFTs; the earliest is on Day Six if tests on Day Five and first thing on Day Six are both negative.
- If, say, Day Five is positive, but Days Six and Seven are negative, isolation ends on day Seven. And so on.

There is no requirement for any person with a LFT positive to take a PCR unless

- They wish to claim the Test and Trace Support Payment
- They have a health condition which may be suitable for new coronavirus treatments
- They are taking lateral flow device tests (LFTs) as part of research or surveillance programmes, and the programme asks them to do so
- They have a positive day two LFT after arriving in England

Students are still recommended to wear masks indoors, including in class (unless exempt). This will be subject to national review from 26<sup>th</sup> January.

Government, NHS and Public Health are all strongly encouraging parents/carers to get their children vaccinated or have a second jab. This will be provided in schools, but possibly not until April, so parents are being encouraged to use local vaccination centres.

Despite national horror stories, we have only fourteen students (1.4%) and two colleagues (1.6%) currently isolating. This is good news as it means almost everything is proceeding almost normally, with a few

exceptions such as mask-wearing and not holding large gatherings. However, there is that nagging worry that this could change significantly within 48 hours...I have ordered extra lucky horseshoes.

### **Year 9 Options Evening**

A separate letter has been sent to Year 9 parents and carers about the options process and all the various events ! Regrettably we have decided to make the Options Evening itself a virtual event rather than face-to-face in College. This is against a background of rising local covid rates (albeit still below national numbers), and all East Devon schools adopting the same approach. Our case numbers are currently low (fingers crossed behind back), and it would be great if they stayed low.

### Year 11 Parents Evening, Thursday 20th January

It's very heartening that nearly 80% of parents/carers have made bookings, but there is still some teacher availability and time to make bookings. <u>SchoolCloud - Clyst Vale Community College</u> It has now become an established pattern that parents' evenings are virtual, and next Thursday will be no different. This parents' evening is deliberately timed between the mock exams and exam entries (end of January), with four months before GCSEs which is ample time for students to turn things round if this is what is needed.

### Parents' Evenings in General

If parents' evenings were face-to-face, then all electrical equipment and phones would be switched off out of courtesy. It would be greatly appreciated by my colleagues and I if this is also observed for virtual parents' meetings, particularly by students/children who are in attendance.

### Sixth Form News

Year 13 are building up towards their mocks starting on 31<sup>st</sup> Jan; Year 12 students who are entered for AS exams this summer also have an assessment "window" at the same time.

The final UCAS deadline is fast approaching, and thank you to my A-level/BTec3 teaching colleagues and the Sixth Form team for all their work in supporting our highly talented students.

I mentioned the alumni careers project last week; applications close today from Year 12 students to join the scheme and be mentored by a successful ex-CVCC student.

Applications for current Year 11 students are now coming in steadily. We have a large Year 11 cohort and are anticipating a good take up. If students or you have questions, please direct them to subject teachers or, if more general, to Miss Haynes: <u>haynesc@clystvale.org</u>

### Attendance

All parents/carers will have received a separate letter about attendance. As the letter states, "attendance has a direct link to attainment. If a child is not in school regularly, they are not fully accessing the curriculum and learning opportunities available to them"; this includes improving self-esteem, social development, a sense of community and belonging, social, behavioural and communication skills, and helps prepare for adult life.

Hardly surprisingly, school attendance nationally has taken a pasting during the pandemic and lockdowns, with some students and families finding it hard to re-engage. This has become a priority for the DfE, rightly so as students with SEND and from disadvantaged families are disproportionately affected.

Therefore, for the moral and educational reasons in the first bullet point, and because of national priorities, schools are expected to "up our game" both in terms of supporting but also chasing families where children's attendance is poor. I know that one or two parents have been a bit upset to receive an official letter, but this is what we are expected to do. If the letter then prompts a discussion about further support, then it's done its job.

### Stagecoach to Bradninch and Cullompton

Problems resurfaced this week with the non-arrival of the bus on Monday and Tuesday. It turns out that driver illness and shortage was the problem on Monday, a serious lorry fire on the route on Tuesday caused up to 90 minute delays. Stagecoach have assured us that these were two one-offs, by sheer bad luck on successive days. The service is now back to normal, and the bus pulls into the College so students don't have to cross the B3181 and wait.

### What are your children eating?

This week we've rolled out a new feature in Edulink that allows parents / carers to look at the purchase history of students. Clicking the catering button in Edulink will now provide you will a detailed breakdown of what's been purchased and when as well as providing the current balance.

Date & Time		Barry	Annual
13-36 06-91-9629	Physical Hold Delaws		6-130
13:35 35:41:20/7	MEDIUM HOT DRIVIK MISC		6-1.55 6-2.55
11:29	Opening Balance		£11.04

At present, unfortunately, there is no change to the way student balances can be topped up but Edulink tell us they are currently looking at this with a view to possible future integration.

Kevin Bawn Principal

### Attendance, Absence and Requests for Absence

Please let the College know of any absence on the first day it occurs. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness.

If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy.

Please note, the College may ask you to provide medical proof if a student is absent from College due to illness.

### **Medical Appointments**

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first, and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. Therefore, we ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment, if they can.

Thank you for your support in helping your child maximise their attendance and learning.

### For Years 7 - 11 Absences

Please ring: Sharon Leaman/Racheal Long (Attendance Officers) Direct line: 01392 463911 Email: studentabsence@clystvale.org

### For Year 12 - 13 Absences

Please ring Maria Murch on 01392 462697 Email: murchm@clystvale.org copying in: haynesc@clystvale.org

### COLLEGE DRESS

Clyst Vale aims to maintain a simple pattern of College dress to promote a clear sense of identity and enable students to come sensibly dressed, at reasonable cost, for a range of learning activities. If a student is improperly dressed, correct uniform will be provided for that day or the student may be sent home to change his/her clothing, at the discretion of the Principal. If parents are in any doubt about the suitability of an item of uniform they should check with the College before buying it.

### Uniform for all students in Years 7 to 11

- White collared shirt
- School colour tie
- Clyst Vale V-neck jumper with College logo.
- Boys trousers Banner Slimbridge (Black)/Banner Falmouth (Black).
- Girls trousers Trutex GTN (2 pocket black)/David Luke DL965 black).
- Skirts Blue Tartan and knee length
- Trutex Senior stitched down/Taylor Tartan (blue) skirt and may be worn no more than 2" above the knee. Knee length black tailored shorts may be worn.
- Black sturdy shoes or **all black** trainers.
- White socks or black tights with skirts.
- Clyst Vale reversible jacket or other outdoor coat.

## All uniform and PE Kit can be purchased from Thomas Moore, Exeter. Thomas Moore offers both a personal service in their shop and also the opportunity to order on line at www.thomasmooretoymaster.co.uk

- Eyebrow jewellery, facial, tongue, nose and lip studs are not permitted.
- Leather jackets, all denim garments and all hoodies are not permitted.
- Hats should not be worn indoors.
- Outer coats should be predominantly plain in colour and without large logos.
- A plain white t-shirt or vest may be worn under the shirt.
- On health and safety grounds, shoes should be appropriate for a work place. Flipflops, open toes, Uggs, Dr Martens (or equivalent) are not permitted.
- Jewellery may be worn, providing it is not excessive or potentially hazardous. However, it is a legal requirement that all jewellery must be removed before undertaking sporting activities. It is the responsibility of the wearer to do this.

The Principal, in consultation with the Governors of the College, will decide on the suitability of the appearance of a student attending the College - extreme hair styles, of either cut or colour, are not permitted.
