## THOUGHT OF THE FORTNIGHT

*It had long since come to my attention that people of accomplishment rarely sat back and let things happen to them. They went out and happened to things."*

Leonardo Da Vinci

Dear Parents/Carers,

## Thank You

With any organisation of around a thousand people, not everything will be perfect every day, but it has been a very good start to the term. Thank you very much to all parents and carers for your part in this, for supporting our expectations and ethos, and for all the other aspects including clean PE kit, food ingredients, the taxi service for out of school events, and much more. I hope you have a pleasant and smooth half-term week!

## Deep Learning Day

As ever, Tuesday's DLD went well. Inevitably, not every single activity will enthuse and inspire every single student, but those I spoke with were either positive or at the very least saw the point of what they were doing. Year 7 always have good fun with the Languages Day (partly because there is food involved), and the project-based Maths Day, although challenging, is similar in feel to project-based work common in Primaries. Another example is Year 9, where students were very positive about the development day, with the simulations of the paper factory and the realities of building a shelter particularly effective. You'll see below what Post-16 got up to! We use DLDs to supplement the Course 42 curriculum, so Year 10 had a Careers-focused day, and part of Year 11's was on safeguarding against on-line grooming. These days are highly valuable, but they do take a lot of organising, so a big thank you to the organisers: Mrs Coley, Miss Barratt, Mr Simpson, Mrs Klampfer-Hall, Mrs Bennett, Ms Chandler, Mrs Higginson and Miss Haynes.

## Post-16 News

(Thank you to Miss Haynes for this report! )On Tuesday's Deep Learning Day, Year 12 and 13 took part in team building activities; Year 12 also attended Learn2Live (a presentation organised by Devon and Cornwall Emergency Services focusing on road safety) and Year 13 had support with their UCAS applications and plans for next year. The team building activities were created with inspiration from the TV programme 'Taskmaster'. Students had to complete a series of tasks as a team; the most significant being a task they had to complete before the day, which was to raise as much money as possible for a charity of their choice. We were particularly impressed with the way in which all of the students threw themselves into the charity task and as a whole the sixth form has raised over £1200 for the following charities: Macmillan Cancer Support, MIND, Save the Earth and Rethink Mental Health.

Special mention must go to Mia Hart in 12HP, who had her head shaved to raise money for Macmillan. With the support of her tutor group, she has currently pushed her total just over £1000, which is an incredible achievement and demonstrates real courage, particularly as she was in front of practically the whole school while it was being done! It's been a great start to the year and these efforts reveal what an outstanding group of young people we have in the Sixth Form.

## Internet Safety

Two or three weeks ago, I warned parents about a free, downloadable app which pretends to be a safe dating app but during the game (as it is) one of the main characters takes their own life. Devon County Council have advised that in the future schools should not name these apps because if schools or parents ask children if they are playing a specific game, this may draw their attention to it. This advice is based on the UK Safer Internet Centre guidance that naming specific online content or games can increase the risk of creating media coverage and social media sharing, which can inadvertently promote the content to young audiences. The absolutely fundamental message is that parents should monitor carefully and encourage children to share what they are playing. On this theme, I am pleased to attach the NSPCC's "Share-Aware" parents' guide.

Best wishes,

Dr Bawn

## RUGBY REPORT

### U13 & U16 Girls v Tiverton

Both girls' sides were outstanding in their first games of the season against Tiverton. Both sides won very comfortably, using the game as a training exercise on very hard ground. The girls were very impressive with the ball in hand, showing some great examples of running rugby and tackling. A little more work on some organisation and support play will ensure the girls improve further. Both squads play again this week versus St Peter's at home. A mention must go to Fay Beer who hurt her knee during the game.

Congratulations to all the girls: U13 Squad: Tabi MacClennon, Sophie Elliot, Izzy Cocking, Harriet King, Libby Pearson. U16 Squad: Chloe Harris, Eloise Blatchford, Chloe Walker, Daisy Norris, Fay Beer, Lauren Elliot, Nikita Watkins, Amazon Start, Rachel Champion, Millie-Jo Elliott, Becca Nisbet, Rowan Greaves, Ellie Bradner.

### Y7 Boys v Blundell's/Uffculme

The Y7 boys were excellent in their two games against Blundell's and Uffculme schools on Wednesday. A 20-20 draw against Blundell's was followed by a narrow loss to Uffculme. Both sides were tough opposition and a great introduction to school rugby. The boys were excellent and showed great character, despite some injuries, in particular Zack Jenner who dislocated his collarbone - we wish him all the very best for a speedy recovery.

Well done to the squad: Ned Brown, Freddie Fenner, Joe Rees Lee, Tommy Pullyblank, Robert Sluggett, Charlie Watkins, Josh Cantrill-Hore, Fraser Pearce, Patrick Ross, Zack Jenner, Marlon Blum, Olly Jermeay, Jake Simons, Sam David, Daniel Martin, Thomas Selley-Steer, Ed Symons.

### Y8 Boys v Blundell's/Uffculme

Congratulations to the Y8 boys who were outstanding against both Blundell's and Uffculme schools. They narrowly lost both games but worked hard throughout.

Well done to the squad: Thomas Brooking, Joe Fellows, Harvey Tarrant, Max Roffey, Reuben Reed, Jed Wade, George Wright, Jonny Baker, Josh Blatchford, Joe Clark, Jamie Horwell, Sam Knee, Felix Bilton, Max Kerslake, Oliver Clayton, Reese Aldridge, Jack Watts.

### Y11 Boys v Blundell's

The Y11 squad were once again outstanding in their commitment and endeavour against a well drilled Blundell's side. The boys were a credit to take away, taking everything in their stride and showing great humour too!

Well done to Ben Parsons, Joe Blackburn, Charlie Sparkes, Charlie Roberts, Barnaby Bilton, Alex Rogers, Zack Killian, Brad Maunder, Fin Potter, Jack Manning.

## School Transport

1. Clyst Vale supports the (DCC) Devon County Council's "No Pass No Travel Scheme" that operates on transport to and from this College.
2. Only students who show a valid travel pass to the driver **on every journey** will be allowed to travel. Students must travel on the vehicle indicated on their pass.
3. **Please ensure that your child has their travel pass before they leave home every day.**
4. Please ensure that your child knows what to do in the event they are not allowed to travel or the bus does not arrive (e.g. because of breakdown or traffic conditions or severe weather). College attendance is very important and it is best to be prepared for any of these eventualities.
5. DCC will carry out regular pass checks throughout the year.
6. Drivers are not allowed to carry passengers who cannot show a valid pass.
7. If your child loses their pass during the day they should go to the AtHoS offices to ask for a 10 day temporary pass. Replacement passes cost £5 each and can be ordered online, or by sending a cheque with a replacement form.
