w/c Mon 24 September 2018 will be Week B

"If you are not willing to learn, no one can help you. If you are determined to learn, no one can stop you."

Dear Parents/Carers,

Our Open Evening for next September's Year 7 students is next Wednesday, 26<sup>th</sup> September, at 6.00 p.m.! Please spread the word! And many thanks in advance to all parents and carers who are lending us your children for the evening as guides, ambassadors, or subject support.

And the Post-16 Open Evening will be on Thursday 8<sup>th</sup> November from 6.00 p.m. with presentations from Miss Haynes, and subject staff and sixth formers available throughout the evening with detailed subject information.

### The 600<sup>th</sup> Newsletter!

I never imagined when the weekly Newsletter began in January 2003 that 599 editions later it would still be going and I would still be writing it; it's also quite sobering to realise that over half of the students currently in Clyst Vale weren't even born when it started. Indulge me in a brief dip into the past. In edition 100 (July 2005) we were bemoaning sloppy uniform, and praising fantastic parental support (remember the Tesco "vouchers for schools?": parents had collected 25,000). Edition 200 in February 2008 refuted Gemini FM's reporting that because of Cranbrook (which hadn't even been started), Clyst Vale was about to close. The 300<sup>th</sup> Newsletter coincided with the College's 50<sup>th</sup> birthday in October 2010. Number 400 in March 2013 featured the importance of the Easter holiday for revision, an exciting project with Exeter Chiefs called "White Line fever", and a major push on recycling. The 500th edition of January 2016 reported the spellbinding visit of Lady Milena Grenfell-Baines who had been rescued from Prague in 1939 on one of the Winton trains. There was also a clarification that the fizzy water on sale in the canteen was in fact healthy and almost sugar free (back in 2003, like all secondary schools, we had vending machines selling chocolate, crisps and a range of extremely sugary drinks, so some things have definitely got a lot better). Many thanks to all my colleagues who have contributed to the Newsletter, and to those who have produced it since 2003, including several years of paper copies. Thank you to parents too, who over the years have been very positive about the Newsletter, or we'd never have kept it going! Number 700 will be in Spring Term 2021......

#### **Year 12 Bude Residential**

As I said last week, we will increasingly include Post-16 news and updates in the main Newsletter, and send the Newsletter to Sixth Form parents. Thanks to Miss Haynes for this contribution (and for organising and leading the whole thing!): our annual Year 12 Bude Residential took place this week, and the students were fantastic. They took part in a variety of activities from the morning run and swim, to canoeing and abseiling. All of them took part in every activity with enthusiasm and some demonstrated real strength of character pushing themselves beyond their comfort zones. Leadership and team skills were developed throughout the stay and students have returned with a greater understanding of not only themselves, but also their peers. The awards ceremony at the end of our stay was a real highlight with awards going to the following students: Joker: Charlie Taylor, Bottle (Student who demonstrated real bravery): Owen Potter and Superstar: Ellie Brook.

### **Staffing News**

Mrs Sarah Foulds, our popular and well-respected Librarian starts her maternity leave at the end of September, and we wish her well. Her replacement, Mrs Lucy Cooper, will begin next week to allow a week's handover; Mrs Cooper has previous experience of libraries in higher education, and experience of 11-18 year olds through being a parent!

### **Bugs, Germs and Viruses**

We have had a handful of students this week with sickness and diarrhoea; most have phoned in from home, but we have had a couple who have needed to go home quite urgently today. I realise that this will be of concern given the suspected norovirus outbreak at Broadclyst and Westclyst Primaries, and we will monitor the situation carefully, but we are talking about seven or eight students over the period of a week. In the meantime, common sense rules apply: please don't send your child in if they are feeling unwell, nor until 48 hours after the last "episode" (great word, that), and please reinforce high standards of hand hygiene which remains the most effective preventive measure.

### **Rights Respecting School**

This has started really well and the feedback has been extremely positive from staff and students alike. There are far more structured activities in tutor time, and our praise systems are being used more effectively with some new additions. Next Thursday there will be a one-off extended registration period so that students can take part in the "World's Largest Lesson", an international initiative with a focus on the 17 Sustainable Development Goals and a particular focus on clean water and sanitation. The RRS Steering Group is steadily improving the profile of RRS through display boards, and will continue to promote a range of activities.

### Parents' Information Group (formerly PTFA)

A date for your diary......Wednesday 3rd October, 6.30 p.m., Post-16 block. It's the AGM! Regular readers of the Newsletter will know that the PTFA has moved a long way from the tea and fundraising, and its activity is now based around six parents' information sessions (which are often discussions as well) on topics of particular interest to parents. There still remain one or two vestiges of PTFA activity, including a committee, and an occasional fundraising event. That said, nothing is set in stone, and if there are a group of parents who wish to zoom in like The Incredibles and transform the Parents Group........

The proposed topic for 3rd October is "Pride in Clyst Vale", and how we are seeking to strengthen this aspect of our ethos. A major part of this is through the Rights Respecting School initiative, which will be the main focus for the evening; as you can see from the paragraph above, this is a very exciting and fundamentally important initiative for the College.

### **Spanish Visiting Students**

Once again we are delighted to welcome twelve students from Vigo in Spain who are in England for three weeks at an International Language School. The students will accompany Year 10s to lessons 1-3 before leaving to their own programme of activities. In previous years, these visits have been very successful, helping to broaden horizons and appreciate different cultures.

### Roofs

You'll see that the contractors' compound has disappeared, and the scaffolding will be gone by Monday. Work will finally be completed by the middle of next week, not helped by Storm Bronagh driving in some rain through the last unfinished section! As I've mentioned before, the various companies and project management have all been excellent, although it will be good to return to normal.

### **Disabled Parking Bays**

Sorry to grumble over the activities of a tiny minority, but please do not use the designated disabled parking bays unless you or your child is disabled. We have two wheelchair-using students who need those spaces at different times throughout the day. Our Rights Respecting ethos includes respecting the rights of those who are disabled.

Best wishes, Dr Bawn

### **School Transport**

- 1. Clyst Vale supports the (DCC) Devon County Council's "No Pass No Travel Scheme" that operates on transport to and from this College.
- 2. Only students who show a valid travel pass to the driver **on every journey** will be allowed to travel. Students must travel on the vehicle indicated on their pass.
- 3. Please ensure that your child has their travel pass before they leave home every day.
- 4. Please ensure that your child knows what to do in the event they are not allowed to travel or the bus does not arrive (e.g. because of breakdown or traffic conditions or severe weather). College attendance is very important and it is best to be prepared for any of these eventualities.
- 5. DCC will carry out regular pass checks throughout the year.
- 6. Drivers are not allowed to carry passengers who cannot show a valid pass.
- 7. If your child loses their pass during the day they should go to the AtHoS offices to ask for a 10 day temporary pass. Replacement passes cost £5 each and can be ordered online, or by sending a cheque with a replacement form.

If parents are in any doubt about the suitability of an item of uniform they should check with the College before buying it.
