Week B

"I've learned it's important not to limit yourself.

You can do whatever you really love to do, no matter what it is." ~ Ryan Gosling

Dear Parents and Carers

Just a reminder that we return to a Week B on 6<sup>th</sup> June, and that there will be early lunches at 12.25 every day.

#### Half-Term

It's been a brief and exciting few weeks! It has been fantastic that staff absence has improved significantly, meaning better quality provision, less disruption, and a return to more settled routines. We have also started staging the first exams for three years. We continue to address the long shadows cast by covid and lockdowns, which undoubtedly have put great strain on some students and families, reflected in mental health and some behaviours. My colleagues continue to do an amazing job, and we are all hugely grateful for the support we receive from the majority of parents.

## Exams and Exam Years

- These continue to go very well. Of course, with 270 students in 3 year groups taking exams in 40 qualifications in up to 15 separate rooms there will be the occasional hiccup, but students and parents should be reassured that it's continuing to go well. In terms of further reassurance, we had a nonotice inspection earlier in the week, which is a thorough check on processes, administration and exam security, and we had a full, clean bill of health.
- It was Year 13's "last day" today, although that is something of a misnomer: a few will be in during half-term, many will continue to attend lessons after half-term, and all have exams. Nonetheless, it was good to uphold our normal traditions and wish our students every success.
- Year 11's study leave will begin on Monday 13th June, and the full Year 11 timetable will continue until then. Meanwhile, another rite of passage is the leaver's hoodie. These will be given out on the first Monday after half-term, 6th June. As a special treat, Year 11 will be permitted to wear their leaver's hoodies on top of normal school uniform from that day onward. There are one or two restrictions: hoodies are not permitted to be worn in any exam room, and ONLY leaver's hoodies are allowed to be worn around the College, not any other hoodie.
- Unfortunately, I must repeat a previous message that in the first week after half-term it is not OK for Year 11 students to attend only for their exams unless there is some pressing medical need which has been agreed in advance. We want students in school for a reason (several reasons, in fact), and any absence will be unauthorised.

#### Year 10

• It's not just the exam years who are looking ahead. Year 10 students will have assemblies after the half-term break about Clyst Vale's Sixth Form and what's on offer. Ten days later, the Year 10 Parents' Evening will be on Thursday 16th June. Year 10 are into the middle third of the two year courses, so it is a really good time to take stock, establish some aims for the future, and with plenty of time to follow teachers' advice and make improvements.

## **Online Safety Newsletter**

• You will see that the June edition of the Online Safety Newsletter accompanies this week's Newsletter; I hope that parents find this useful. You can also find it on the website: <a href="http://www.clystvale.org/esafety/">http://www.clystvale.org/esafety/</a>

## Let's Talk Teenagers

• A brief reminder that these sessions will be coming up after half-term, cover very topical issues and concerns, and are free. Please see the poster elsewhere in this Newsletter for links to further information.

## **College Summer Uniform**

• There isn't one, it's the same as all-year round. White shirt, tie, school skirt, black trousers, black tailored shorts, all black shoes. Clyst Vale jumper, and any under-shirts should be plain white. I mention this in case your child's latest growth spurt means you're obliged to go shopping now, rather than holding on until the summer. And thank you in advance for your help in the perennial battle over skirts. As I say far too often, there are skirts, short skirts and too-short skirts; it's the latter which cause the arguments, partly because it's impossible to define in centimetres what "too short" means. The bottom line is we don't want to see the line of anyone's bottom.

# **Supermarket Vouchers**

- We have contacted families whose children currently receive benefit-related free school meals to help them contact the supermarket voucher scheme offered by Devon County Council. Devon has been given money from the government Household Support Fund to provide vouchers for next week and the full six weeks of the summer holiday.
- Please get in touch with Devon's free school meals team if you were expecting to receive a voucher but didn't, by emailing freeschoolmeals@devon.gov.uk or calling 0345 155 1019. If you didn't previously qualify for free school meals but your income has recently reduced or stopped, please apply online through our website to check if you are eligible for this support as soon as possible, or call our education helpline on 0345 155 1019.

As I said, thank you all very much for your continuing support, and very best wishes for next week's break and the Jubilee bank holidays.

# Attendance, Absence and Requests for Absence

Please let the College know of any absence on the first day it occurs.

If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness.

If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy.

Please note, the College may ask you to provide medical proof if a student is absent from College due to illness.

# **Medical Appointments**

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first, and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. Therefore, we ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment, if they can.

Thank you for your support in helping your child maximise their attendance and learning.

#### COLLEGE DRESS

Clyst Vale aims to maintain a simple pattern of College dress to promote a clear sense of identity and enable students to come sensibly dressed, at reasonable cost, for a range of learning activities. If a student is improperly dressed, correct uniform will be provided for that day or the student may be sent home to change his/her clothing, at the discretion of the Principal. If parents are in any doubt about the suitability of an item of uniform they should check with the College before buying it.

#### Uniform for all students in Years 7 to 11

- White collared shirt
- School colour tie
- Clyst Vale V-neck jumper with College logo.
