- ⦿ We are following the AQA 8300 Linear Scheme of Work
- ⦿ All students have 3 exams at the end of year 11:
 - Paper 1 - no calculator, Papers 2 and 3 - calculator
- ⦿ Each exam will be marked out of 80
- ⦿ Each exam will last 90 minutes
- ⦿ Students in set 1 will also be doing a Level 2 Further Maths AQA qualification at the end of year 11.
- ⦿ Set 7 will be doing the Edexcel Entry Level Certificate as well as a GCSE in Maths
- ⦿ Students must bring the following equipment to all lessons and all exams:
 - Calculator, black pen, pencil, red pen, ruler, protractor, compass
- ⦿ All students have been given a target number grade
- ⦿ All students will have a note book, work book and homework book
- ⦿ Homework is set on a Tuesday
- ⦿ We are giving students a topic test every Friday week A, based on the previous week's work. Students can use 'mymaths' to practise before the tests. Tests will be completed in notebooks to form a basis for revision.
- ⦿ All students will have an internal assessment at the end of each term
- ⦿ All students will have an algebra basics assessment just before each half term.

- All students have their own log in for 'mymaths' (clyst, circle) – they can use lessons to revise topics or try out questions using the online worksheets'
- All students have their own login for 'mathswatch' (clystvale and then their mymaths password and login) – students should be working on particular grades or topics. Any extra worksheets that are completed will be marked by maths staff
- If students feel that they would like to order a revision guide we can recommend the CGP exam practice books and guides
- In year 11 maths staff will be running a lunch time workshop open to all students.
