

Mathematics A-Level and Further Maths A-Levels

Bridging the Gap Year 11 – Year 12

This is a great opportunity for you to practice and master the following topics:

Algebra:

Solving linear equations

Solving quadratic equations-factorising, completing the square, Quadratic formula

Simultaneous equations-linear and non linear

Indices and Surds

Rearranging formulae

Algebraic Fractions

Geometry:

Trigonometry-SOCAHTOA

Sine Rule

Cosine Rule

Bearings

- Internal students: You will have access to My Maths from Tuesday April 14th and the Maths Department will email your login and passwords on that day.
- You could also buy the CGP 'Head Start to A Level Maths' Book – on Amazon / WHSmith

Further Maths

If you have also applied to study Further Maths, you could work through the Further Maths section of this website: <https://corbettmaths.com/more/further-maths/>

We look forward to meeting you all in September.

Ms Barratt

(Head of Maths)
