

Politics A level

Bridging the Gap Year 11 – Year 12

There are three parts to our course:

- 1) The Government and Politics of the UK
- 2) US Government and Politics
- 3) Political Ideologies

There is so much reading that you can do to keep ahead of the course! US elections this November of course and we now know that Joe Biden will be the Democrat candidate.

- **Prechewed Politics:**

We have been really fortunate at Clyst Vale to be able to buy into an excellent resource. It is called "Prechewed Politics" You can start to log in and use it now. Go to Prechewed Politics...use my school email of paddenh@clystvale.org and then use the Password of Learn@Home 754

You will find this an excellent resource and has updated newsletters, a glossary of political terms and videos. Please use this when you can.

- **News**

You will have to keep up to date on everything that is happening.
BBC news absolutely brilliant.

For the USA please make it a daily habit to look at Politico on line. Excellent, detailed information.

- If you have Netflix they have a 4 part documentary on Donald Trump. It is called Trump an American Dream. Lots of information from his friends and enemies and it is brilliant.
- Read anything you can on British and World politics and keep yourself up to date.

This is a great A level to study and I am delighted that you will be starting this course in September!

Best wishes
Mrs Padden
(Teacher of A-Level Politics)
