

# Psychology A-Level

## Bridging the Gap Year 11 – Year 12

---

To help prepare you for Psychology A-Level you will also find a second document with a section of the workbook that we use. You will need to use this, reading and working through tasks, and then watch the clips to supplement your reading.

There is compulsory work, which must be completed for September, and then Extension work, which would obviously be of benefit to have a go at.
