Rights Respecting School (RRS)

CVCC Charter

**As a Rights Respecting School,
at Clyst Vale we aim to:**

Respect

Article 12+ 30

- Respect each other's rights
- Respect each other's differences
- Respect our environment
- Listen to each other

Participate

Article 6+ 31

- Work towards our full potential
- Take advantage of opportunities that are available
- Support and be proud of our College and community

Learn

Article 28+ 17

- Value our learning community
- Allow others to learn
- Learn from each other
- Be resilient learners

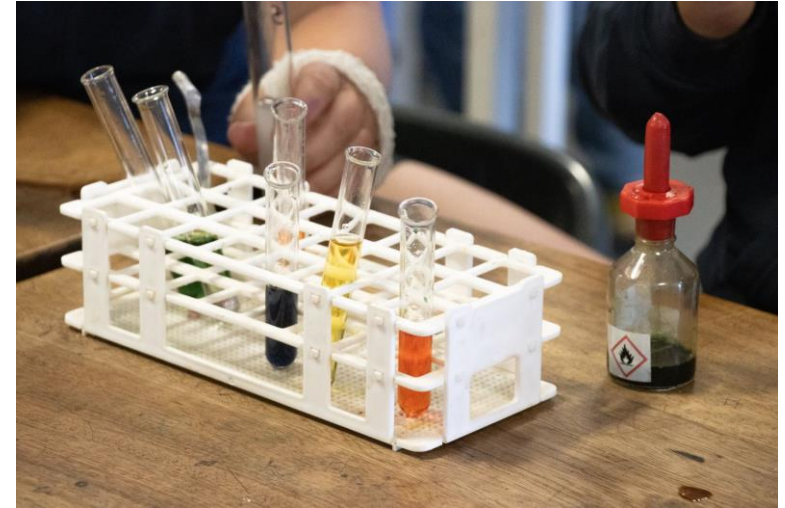

- We are extremely proud to have been awarded Gold status – the first secondary school in Devon.
- RRS is obvious in daily life – from tutorial sessions through to lessons

Updating Information (*including consents*)

- From this screen you can update basic information about yourself and your children.
- Please check and keep contact information up-to-date. It's important we can reach you.

The screenshot shows a user profile update interface. On the left is a vertical sidebar with three entries: 'Mum' (with a graduation cap icon), 'Luke' (with a photo of a boy), and 'Leia' (with a photo of a girl). The main content area is titled 'Basic' and includes a warning: 'Please do not change your child's email address.' Below this are three text input fields for 'Title', 'Preferred forename', and 'Preferred surname'. A 'Contact Details' section follows, featuring an 'Emails' section with a green plus icon and a table with columns for 'Address', 'Location', 'Main', and 'Primary'. The table contains one row with 'Home' in the Location column, checked boxes in the Main and Primary columns, and a trash icon. Below the table is a 'Telephones' section with a green plus icon. At the bottom left, there is a small text block about the General Data Protection Regulation 2018. At the bottom right is a green 'SAVE' button.

- As you probably know we operate a three strike system. Stage 1, 2 & 3
- Here you'll see details recorded any time a staff member has to formally issue one of these.
- Please work with the College by reviewing and discussing these with your child.

Attendance

- **Attendance is hugely important.** In many areas of life 90% would be considered excellent but in attendance terms that's one day missed every fortnight.
- **We know from our own tracking data that,** on average, student progress dips notably as attendance falls below 95%

Absence Reporting

- **Early absence reporting is so helpful to the College & helps us safeguard children.**

"Lifelong learning is no longer a luxury but a necessity for employment."
- Jay Samit

Dear Parents and Carers,

New Principal

You should have received a separate communication from the Chair of Governors informing you that following national advertisement and interview, Sara Jacobs has been appointed as Principal of Clyst Vale starting in January 2024. Ms Jacobs is, of course, currently Deputy Principal here at Clyst Vale, having joined us in 2019. Personally, I think this is great news. Not only has Ms Jacobs done a huge amount to improve the College's curriculum and teaching & learning, which contributed significantly to our improving the Ofsted judgement, but she has played a much broader role as a senior leader. Also, by already being here, she knows and understands the values and ethos of Clyst Vale, and recognises that we are just a bit independent and different from many schools.

I remain in post until the end of December and will retain all the "official" and legal responsibilities of being Principal until then. However, this will allow a thorough handover period.

Strike Days— Thank You

Strike days are odd, and the impact on families varies enormously depending on individual circumstances. With a strike by one union, the impact on learning also varies enormously depending on whether or not a child's teacher is on strike. So it is difficult to generalise. My non-striking colleagues provided remote learning and taught classes in school; some students will have had most of their lessons, some will not. We were fortunate that no big events were affected as reported in the media. On Wednesday Year 10 students were able to visit Exeter College to experience further education opportunities; this is an important part of our careers programme and valuable in helping students think ahead and gain focus. Unlike some schools, we continue to offer provision for children of critical workers and vulnerable students.

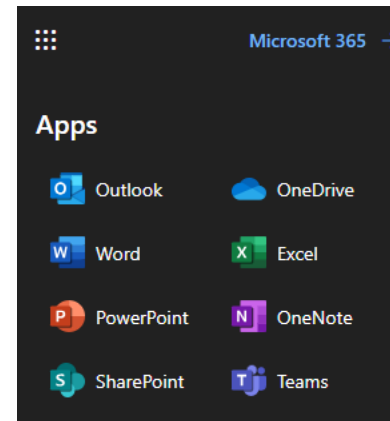

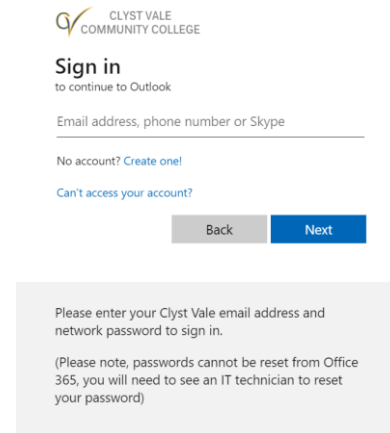

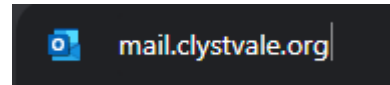

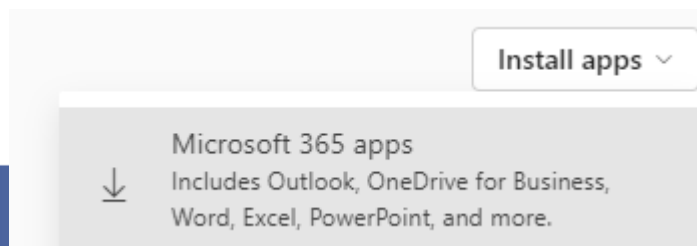

On the other hand, the strikes reflect both anger and concern in the education sector. It's far from selfish teachers demanding more money; it is about the chronic underfunding and undervaluing of education. This affects all children in the UK including yours. The underfunding is general; although special needs and post-16 sectors are particularly badly hit, and there is a desperate need for more capital funding. There is a recruitment crisis already with us nationally: even at Clyst Vale, an 11-18 school with a good reputation near a university city with good transport links, we have experienced difficulties.

Students Logging in from Home

Students can access their College email, Teams and OneDrive all from a single web site: mail.clystvale.org

In addition, students are entitled to download a free copy of Microsoft Office for use on their home devices (up to 5 per student) provided by the College.

To do this , click the Microsoft 365 link shown after clicking the 'waffle' and follow the link marked 'Install Apps'

Visit mail.clystvale.org

Login with College username and password. College Usernames take the form of Surname**Initial**YearOfJoining.

College Passwords are chosen by students during their first ICT Lesson.

*So if Luke Skywalker joined us this year he'd login with **skywalkerl23@clystvale.org***

 Use the 'Waffle' or app square in the top left to choose the app they need.

Outlook → Email

Teams → Assignments etc

OneDrive → Student Files

Homework

- Weekly homework is set in Maths and English
- **English** use the website 'Bedrock' and students need to gain a minimum of 20 points per week
- **Maths** set 10 questions each week on Teams – students' workings must be recorded in their exercise books and their answer typed onto Team

Music lessons

- Mr Hawkins recently promoted joining one of our many musical groups – including the Jazz band and School Choir.
- Instruments that students can learn include the piano, brass, woodwind and drums.
- See Mr Hawkins' recent email for more information.

D&T – cooking lessons

An email has been sent to parents outlining all the recipes for this term.

As a quick guide there will be two lessons over the fortnight. When their timetable indicates they are in room DT3 this is a practical lesson and they will be cooking the next dish on the recipe list.

The other lesson is a theory lesson which will not be in the food room.

Uniform

- Please make sure **ALL** school uniform is clearly labelled.
- We know how frustrating it is for parents when items are mis-placed.
- Students need to pop down to lost property in Student Services to retrieve named items – **after** they have re-traced their steps!

Mobile phones

- We understand how important it is to be able to contact your child on their way to and from school
- However, please do not contact them on their phone during the school day (or encourage them to contact you!)
- Mobiles need to be switched off, in bags (not in pockets) during the school day.
