

"Do what you love and success will follow."

Passion is the fuel behind a successful career." Meg Whitman.

Principal's Update

Sara Jacobs

Principal

Dear Parents and Carers,

On Sunday, I had the absolute privilege of celebrating the success of our Ten Tors teams alongside the staff, volunteers, and parents/carers of our students who participated in this annual challenge. This year was particularly special as all participants in all four of our Ten Tors Teams achieved success – an incredible milestone. The College had two teams complete the 35-mile route, one team conquer the 45-mile route, and another team triumph over the 55-mile route.

I am incredibly proud of our staff, students, and wider community, and would like to thank everyone who supported our students in making this opportunity possible. Our students have shown remarkable resilience, teamwork, and determination in the face of significant challenges. Just as importantly, we are deeply grateful to the mentors who made this experience possible.

Their commitment has been exceptional in leading, guiding, and preparing the teams with expert support and leadership throughout the process. Their combined efforts were instrumental in the students' success and growth.

Our students have been fantastic in supporting their peers, especially our Year 11 and Year 13 students who are now fully immersed in their exams. From messages of good luck to being quiet and considerate as they move around the College, it is heartwarming to see our students support one another. This truly reflects our strong sense of community. Thank you in advance to parents and carers for your ongoing support over the next few weeks. I am pleased to share that feedback from our invigilation team has been overwhelmingly positive, reflecting admirably on our students' behaviour and composure during their exams.

As the weather warms up, students might choose to remove their school jumpers, but it's important that they continue to wear the rest of their uniform correctly. Keeping your child hydrated throughout the day is crucial, and there are plenty of opportunities for them to refill their water bottles. We kindly ask for your support in reminding your child to manage their time effectively so they can refill their bottles without being late to class. Encouraging them to carry a large enough water bottle to last the entire day, or at least for two lessons, will help ensure they stay hydrated without needing to refill between classes.

Last Friday, we had the pleasure of hosting our Year 13 leavers event, and next Friday, we will extend the same celebration to our Year 11 students as they begin their study leave on Friday, 23rd May. These 'leavers' events are a significant milestone for our students, and it is always a delight to celebrate this special moment with them. Starting from Friday, 23rd May, there will be a supervised study room available for Year 11 students who need or wish to stay on site. Additionally, Year 11 and Year 13 teachers will continue to be available to support and assist any student who wants to come into College to revise during their normal timetabled lessons until all exams in that subject are completed.

Finally thank you to our amazing PTFA, who are starting to put strong foundations in place to raise valuable funds, bring parents and staff together and run activities and initiatives that will benefit our community. Regular updates regarding their activities and plans will be publicised in the newsletter. They are always looking for volunteers to support, no matter how big or small your time commitment. If you are willing to get involved, please email Chris Faulkner at faulknerc@clystvale.org, and they will put you in touch with the appropriate person.

Kind regards, Sara.

Ten Tors 2025: Friday 9th – Sunday 11th May

So the week of the 1st May bank holiday had arrived, which could mean only 1 thing – the week of the Ten Tors main event weekend had arrived!

After 6 months of training, lunchtime sessions, day walks, & weekend camps on the moor that had experienced all ranges of weather from sun to rain to snow, but mostly of very heavy fog, the time of the main event weekend had now arrived. It brought with it nervous anticipation... What routes would the teams be assigned? What would the weather be like and hence the river levels too? Would the teams get scrutineered (full kit check!) by the Army and if they failed, they wouldn't be allowed to start! What time would the teams cross the finish line on the Sunday? How many students would not make it round?

So so many questions and early in the week we didn't know the answers to all of them, but as the week progressed into the weekend, we would soon find the answers...

The routes the CVCC 2 x 35, 1 x 45, and 1 x 55 mile teams were assigned were published on the Tuesday and the students then busied themselves planning their routes, considering the night stop times, the crash times, the bird nesting and out of bounds areas, and the river crossings – it's not just hiking 35, 45, or 55 miles, there's lots to consider in planning routes! Luckily the training over the last 6 months had covered all but 1 of the checkpoints, and the majority of the routes the students would encounter had been covered too.

Ten Tors 2025: Friday 9th – Sunday 11th May

The weather turned out to be nice, and even a little bit cooler compared to the heat of last year's event, which the students appreciated. The long dry weather beforehand meant the river levels were low, the river state was therefore normal – which the students appreciated too as this meant there was no need for long detours to permitted river crossing points, which the higher river states would have brought.

This year there was a change at the Team registration early Friday morning – each of the 4 Team Leaders would need to accompany us to Registration and they would also get to pick a raffle ticket to determine if their team would face the dreaded scrutineering (full kit check process)..! Milly, Team Leader of 35A LT, went first to draw a ticket and avoided the Scrutineering! Followed by Ethan, Team Leader of 35B ML, who also avoided it, but then Kate, Team Leader of 45 VP drew the unlucky ticket and so her team was selected for it. Finally Nina, Team Leader of the 55 ZX avoided the Scrutineering too. So we ran our own kit for the other 3 teams, but for the 45s Harriet (their Deputy Team Manager) went through a kit check before heading off to the 30minute scrutineering interrogation at 4pm – luckily they had a kind Scrutineer, the teams made a great first impression, greeting the Scrutineer with a smile, answering questions well, finding items of kit quickly, and so the team were done quickly and had passed – they were then all cleared to start the event 7am Saturday morning! The rest of the Friday was spent finalizing routes, kit, visiting the start line, meeting others and participating in the Army's extensive engagement village on the parade ground. After dinner on Friday evening, the joyful party atmosphere continued with the majority of the participants gathering on the parade ground to chill out/party after a long Friday and before the 5am Saturday morning alarm! We had 3 external students join our 55-mile team (as all teams must start with 6) who led many of the others Friday evening in the party atmosphere whilst some of our other students sensibly stood to the side and spectated from afar!

Clear skies arrived early Saturday morning, with a lovely sunrise visible from our base camp 5am that morning. After a hearty breakfast & final team photos, the teams made their way up to the start point – there were speeches made, the Red Devils Army Parachute Display Team jumped out the plane and led a huge Union Jack down to the start line – a loud bang at 7am set everyone on their way, Ten Tors 2025 had begun! The teams all set off on their routes whilst the adults nervously kept hitting the refresh button on the Ten Tors website to see when the teams arrived at their assigned check-points...

Ten Tors 2025: Friday 9th – Sunday 11th May

During the Saturday, all the CVCC teams had made excellent progress and now, with Sunday dawning, it was time to see what time all 4 teams would make it back across the finish line – hopefully before 5pm for a well earned medal and pasty!

All 4 CVCC teams did exceptionally well – for the first time ever with 4 x CVCC teams, not one student dropped out, and all 4 CVCC teams made it back and crossed the finish line as 4 complete teams of 6! All the students looked shattered as they crossed the finish line but rightfully proud of themselves, and we're very proud of them all too – they pushed themselves to new heights during the training and successfully rose to the occasion on the main event weekend!

35A LT – Milly, Buddy, Ed, Joel, Otis & Ruthie – finished: 14:56

35B ML – Ethan, George, Max, Michael, Sam & William – finished: 13:20

45 VP – Kate, Jack, Jake, Lili, Rudy & Zac – finished: 14:52

55 ZX – Nina, Millie, Finley, Will, Charlie & Toby – finished: 15:15

We must give thanks to all the staff and volunteers who have helped, no matter how big or small the contribution, as it's a big team effort throughout the training months and the main event weekend to enable our Clyst Vale students to be at the start line of Ten Tors! Many thanks to you all and hope you're all keen to help again next year...!

For those students keen to get involved next year, it's likely to all start around October half term so please look out for information and posters around that time, for year 9 and above. Then you too could experience the thrills, fun and excitement that Ten Tors brings, not just during the months of training, but hopefully on the main event too!

Big congratulations also to all the other Clyst Vale students, both past and present, who also participated in the event with other organisations too. It was a lovely atmosphere at the finish line watching teams from different establishments crossing the finish line, and the predicted thunderstorms also held off too.

Now it's the Summer season, we move on to the Duke of Edinburgh's Award expeditions for Bronze, Silver and Gold! For those students doing both Ten Tors and DofE, they'll probably find the DofE expeditions a relative 'walk in the park' compared to Ten Tors, but DofE has its own challenges, not least more than 1 night camping on the Silver and Gold...

Mr Eales, Ten Tors Manager

Modern Foreign Languages

¡Hola! Salut!

COMPETITION CORNER

Design a calligram based around a French/Spanish word or sentence. The finished design must look like an image of what you have just written.

Submit a photo to your MFL teacher for a chance to win.

Competition closes: Fri 23rd May at 4pm

MONTHLY QUIZ

1. How do the French celebrate Labour Day on 1st May?
2. What happens on May 5th in Mexico?
3. What is the 'Snow Star' festival in Peru?
4. Where does Cheese Rolling take place in the UK?
5. What is the Hamamatsu Kite Festival? What date does it take place?
6. What is the Cheung Chau Bun Festival in Hong Kong?

Email your answers to your MFL teacher to win P1s.

The shortest grammatically correct sentence

The command "GO!" instructs a person to take action – here the subject isn't written or spoken, yet it is immediately understood!

Revision tip

Chiquito chanchito cochinito, echado en la charca está.

Tiny dirty little piggy is lying in the pond.

FRENCH TONGUE TWISTER

Sounds easy? Try repeating it over and over...

Qu'a bu l'âne au lac ? L'âne au lac a bu l'eau

What did the donkey drink at the lake? The donkey at the lake drank the water.

STUDENT WORK

As part of their learning journey, Key Stage 3 students have been completing a French cultural project, looking into French food, art, music, films and books.

Here are some French painters and singers whose work students were encouraged to research. This resulted in lots of enthusiastic conversations about how art styles differ in their approach to representation, colour, brushwork and subject matter. Many students also added French songs to their own individual playlists.

- a) Claude Monet
- b) Paul Cézanne
- c) Edgar Degas
- d) Paul Gauguin
- e) Henri Matisse

Year 13

Having said our slightly sad goodbyes to Year 13 last Friday, it has been lovely seeing many of them back in school this week for revision sessions (and exams)!

Study leave is officially underway for all Year 13 students, but the option to study in school is on offer and very much encouraged. Teachers are ensuring they are available in normal timetabled slots if their help and support is required.

Parents will have received details of the Prom (Friday 20th June) earlier this week, we would be very grateful to receive your completed consent form and payment by Friday 23rd May. Thank you!

A final reminder for students heading off to University this coming autumn that the application deadline for Student Finance is this Friday, 16th May.

Year 12

We are really proud of our Y12 students who participated in the epic Ten Tors 55 mile challenge at the weekend, both in the Clyst Vale team (Millie, Nina and Finley) and Joshua, walking with Seamoor Explore. Everyone was back in school on Monday, some nursing injuries – but hopefully all helped on their route to recovery by Mrs Padden's congratulatory chocolate cake! A massive well done to all of you for taking on the challenge.

Mrs Padden will have reminded all her tutees in Wednesday's Tutorial session about the importance of arranging and logging a work experience placement for 14th – 18th July. Many students have found really exciting opportunities in a variety of areas, including engineering, laboratory work, the Met Office and the university archives. If students are having real problems sorting this, please could they speak to Mrs Padden or Sue Voysey so that we can assist with arrangements, if needed.

As well as work experience on the horizon, during the summer term Year 12 also have their end of year exams approaching (24th – 27th June), a whole year-group visit to Plymouth University (30th June) and a day devoted to their future plans on 11th July. This will be their last timetabled day in school, and we will send them off with a BBQ lunch following our celebration assembly.

Year 7 Girls @ RFU

'Love Rugby' Event

Congratulations to the girls who represented the College recently at Exeter College's Exwick Sports Hub for the RFU 'Love Rugby' event.

The rescheduled event from February saw 14 girls take part in a carousel of fun activities to improve skill and team work, culminating in a touch rugby tournament in the afternoon based upon the recently launched T1 programme from the RFU to engage more young people in a non-contact version of the game.

All of the girls were outstanding representatives of the College, on and off the pitch, in very warm conditions and had a thoroughly entertaining day. The aim for the girls is now to find a local rugby club to train and play at to further develop their passion and enjoyment of the game.

Congratulations to the squad!

Mr Pearce

Year 8 Girls Rugby- Chiefs @ Maynard Event

Congratulations to the seven Year 8 girls which represented the College at the recent Chiefs @ Maynard School rugby event at Topsham RFC. The girls took part in a carousel of activities based upon improving their non-contact skills, led by current Exeter Chiefs Women's players.

A big thanks must go to Ava's mum who assisted with transport to the event plus all parents who assisted with collecting their child from Topsham RFC at the end of the day.

The day culminated in the girls playing in a round-robin format of touch games with the following results:

Clyst Vale 10-5 Maynard

Clyst Vale 5-15 West Exe School

Clyst Vale 5-0 Exeter Cathedral School

Clyst Vale 25-5 Ivybridge Community College

Clyst Vale 15-5 Robert Blake School

Congratulations to all girls that took part. All were a credit to the College:

Izzy Card, Lily Evans, River Chapman, Connie Scott, Elysia Bellham, Daisy Gill and Ava Parker.

Student Services Key Updates and Reminders

Year 11

The last day before study leave for the Year 11 group is Friday 23rd May. The Year 11 students will be able to leave at 13:15pm. Please complete the form for consent if you have yet to do so.

<https://forms.office.com/e/JgUCnN5ymm>

If we do not receive consent your child will have to stay in school.

Please note that the CVCC Coaches will not be running early.

Prom and Yearbook

Payments for both are now available to purchase on School Gateway. We have a selection of prom outfits available to borrow for a deposit (see PTFA information page). We ask for a £30 deposit which is repaid on return of a clean dress/suit. Please arrange a time to view/try on with Student Services.

Activities Week

School Gateway has been reopened for any payments for the end of term Summer activities week.

Bicycle Passes

As the days are brighter, I would like to remind you that if your child wishes to cycle to school, they need a bicycle pass from Student Services. These can be obtained by completing this form- - <https://forms.office.com/e/wCzxUaP43t>

Students cycling to school must wear a helmet.

Year 7 Parents' Evening Thursday 5th June 2025

This is a virtual Parents' Evening. Teachers are available for 5 minute slots and these are bookable via <https://cvcc.schoolcloud.co.uk> This is also the site to connect to your appointments on the day. Please be mindful that some teachers teach multiple classes and subjects. Please contact Student Services via studentservices@clystvale.org if you have any issues.

Attendance, Absence and Requests for Absence

Reporting an Absence

If your child is absent due to illness or a medical appointment, please report their absence, along with the reason, via the My Child at School **desktop browser**. Alternatively, you can complete the Absence Notification Form using the link below or email :

studentabsence@clystvale.org.

[Absence Notification Form](#)

If your child is in Year 12 or 13, please report their absence to voyseys@clystvale.org.

Absences must be reported daily for the duration of your child's absence.

If you know in advance that your child will be away from school, please inform us at your earliest convenience.

Additionally, kindly notify us of any lateness or scheduled appointments.

The school actively follows up on unexplained absences. If your child is absent for an unauthorised event, the details may be referred to the Educational Welfare Service which could result in a fixed penalty notice. Please be aware that the College may request supporting documentation for any absence.

Typically, work is not provided for students during their absence, as our priority is to ensure they recover fully and return to school as soon as possible.

Lateness

Attendance is formally recorded twice daily: in the morning at 8:50am and in the afternoon at 2:10pm. It is essential that students are prepared to begin their tutor period promptly at 8:50am and are punctual for each subsequent lesson.

As required by law, registers must be taken in a timely manner, and there are consequences for lateness. Students who arrive after registration closes will be marked as late, and those arriving after 9:25am will receive an unauthorised mark.

If a student is absent without prior notification, we will inform parents/carers as soon as possible if your child has not arrived at school in the morning. To ensure prompt communication, parents/carers are strongly encouraged to keep their contact details up-to-date via the Bromcom App.

Attendance is recorded during every lesson to monitor internal truancy and comply with safeguarding regulations. Students are required to sign in upon late arrival or sign out if leaving during school hours. Parents/carers must notify the school and provide a valid reason for their child's departure.

No student may leave College without authorisation from staff under any circumstances.

Students feeling unwell must report to reception and are not permitted to contact parents directly through phone calls, texts, or messaging apps to request collection.

Medical Appointments

We encourage students to maximise their attendance, as research highlights a strong correlation between regular attendance and examination success.

Many medical appointments can often be scheduled in a way that allows students to attend school both before and after their appointments. By doing so, they can minimise missed learning opportunities while maintaining high attendance levels.

We kindly ask parents/carers to ensure that their child attends morning registration, even if a medical appointment is scheduled later in the morning. Similarly, where possible, afternoon appointments should be arranged after **Period 4**, during lunchtime. We also encourage students to return to school following lunchtime appointments, if feasible.

Thank you for your continued support in helping your child achieve maximum attendance and academic success.

Supporting Learning at Home

BROMCOM

What financial support can parents get?

Juggling home and school life is tough for every parent, but there are some financial support options available. Find out what you could be entitled to by following this link

[Supporting learning at home | Parentkind](#)

Please do not address emails, or any replies to Bromcom messages, to bromcom@clystvale.org.

It is an unmonitored mailbox and will not go to anyone. Parents/carers need to reply to Bromcom messages via the app, online, or via email, as this will then be directed to the staff member who sent the message to you. Or, please contact the teacher or admin@clystvale.org. There is also a contact form and other details below:

<https://www.clystvale.org/contact-us/>

Clyst Vale Library

Clyst Vale Library is open to the public 3.30 to 5.30pm Monday and Wednesday and 4.00 to 6.00pm Thursday.

Stationery for Sale

Pencil cases are available from the Library at a cost of £4.50 per pencil case. The clear pencil cases include one pencil, a blue pen, a red pen, one highlighter, a ruler, a compass, a protractor, a rubber and a sharpener.

EXETER COLLEGE NEWS

Travel Pass Scheme

As you may already be aware, all full-time learners who live more than 3 miles from College are eligible for the Exeter College **Travel Pass Scheme**. The scheme provides subsidised travel passes for buses and/or trains, regardless of household income. We can provide further support with the cost of travel for households with an income of below £50k per year, and for any learners with a household income of £30k or below, their travel to College will be free of charge. For detailed information on the varied levels of financial support that are available, please click on the link below.

Bursary

In addition to the Travel Scheme, we offer a student **Bursary Scheme** to help ensure that financial constraints don't present a barrier to accessing an outstanding education. The bursary is currently available to students whose household income is below £30k per year, and can help with the cost of travel, free meals, academy fees, essential books, and specialist clothing amongst other things. Bursary applications are now open. For the most up to date information, please click the below link.

FIND OUT ABOUT ARMY CAREERS

Join the biggest team you'll ever be part of - a career with the Army offers you an opportunity to develop yourself and your skills alongside people who share the same values as you.

We have roles available in a wide range of areas that we are recruiting for now.

From adventurous training to being paid to play sport, there are so many opportunities in the Army to do more than the everyday. You'll make friends for life, get qualifications that will benefit you in your career and beyond and be part of a team that will be with you every step of your journey.

Come and meet us at our next event near you:

Experience the Workplace with the British Army! Free 1-Day Programme for Years 9 - 13 Students 27th, 28th, 29th OR 30th May
Time: 10:00 AM - 3:00 PM Wyvern Barracks, Barrack Road, Exeter EX2 6AR
Cost: Free (Just bring a packed lunch)

<https://forms.office.com/e/GUFzkSGMu8>

**SEARCH
ARMY JOBS**

During the May Half Term, we are offering Year 9, 10, 11, 12 & 13 students a **free** opportunity to participate in our **1 Day British Army Experiences of the Workplace** programme.

When: 27th, 28th, 29th OR 30th May 2025

Time: 10:00am until 15:00

Where: Wyvern Barracks, Barrack Road, Exeter EX2 6AR

How much: Free, just bring a packed lunch and drink

Who for: Year 9, 10, 11, 12 & 13 students from Devon schools and colleges

This 1 day programme is an opportunity for students to learn about different jobs and sectors, and to see how their academic subjects relate to the world of work. It also helps students to develop skills that are valuable for their future careers, such as communication, teamwork, problem solving, and adaptability.

Places are limited, and in the case of oversubscribing, we will endeavor to offer a place in future programmes to those who are unable to attend this one.

Link to apply - <https://forms.office.com/e/GUFzkSGMu8> or follow the QR code below.

Deadline to apply: Friday 16th May 2025

Application outcome notification: w/c 19th May 2025

If you have any questions, don't hesitate to get in touch with either myself or Simon Hebson
