Principal's Update

Sara Jacobs
Principal

Dear Parents and Carers,

This week has been a celebration of achievement, aspiration, and community spirit across the College.

I am delighted to share the outstanding progress of our students participating in the Duke of Edinburgh Award. As verifier, I am privileged to see first-hand the breadth of our students' achievements and the dedication they show in pursuing their goals. I chose to take on this role because it allows me to recognise and celebrate the hard work and commitment of our young people and to ensure that every accomplishment is acknowledged. This week, I have been busy signing off a host of Bronze and Silver awards and I am especially

proud to announce that two Gold awards have been achieved by former students, Lewis Voysey and Joel Buckridge, who have now moved on to university after their time in our Sixth Form. This is a remarkable accomplishment, reflecting not only their dedication but also the value of extracurricular activities in shaping confident, capable young adults. We are immensely proud to have supported them on their journey.

This week also saw our Camps International assemblies, inspiring students to consider global citizenship and adventure. We recognise the significant cost of these opportunities, but we firmly believe in their value. We actively encourage and support students to fundraise, helping them work towards these life-changing experiences. Parents are warmly invited to a meeting next Wednesday, 22nd October, to learn more and discuss ways we can work together to make these opportunities accessible for the young people at the College.

As we approach the end of this half term, preparations for mock exams are underway. Year 11 have made a strong start, showing real positivity and commitment. The Passport to Prom initiative is well underway, with plenty of stamps being earned. I would like to emphasise that, as with all new initiatives, we are constantly reviewing their implementation to ensure they are working effectively for our students. Next week, I will be meeting with the Head students and Ms McConnachie, Head of Year 11, to discuss the Passport to Prom and gather their feedback.

I had the pleasure of meeting with our student board this week. Their thoughtful feedback and enthusiasm for making positive changes were truly inspiring. We discussed key issues raised by Tutor Captains and the students fed back their thoughts on the recent open evening and change to the behaviour system. It's wonderful to see our students so engaged in shaping their school experience, and their voices remain at the heart of our College.

This leads me to highlight how fortunate we are to have such a dedicated PTFA, who continue to work tirelessly for our students. This week, they secured a substantial community grant from our local Parish Council, thank you to all involved for your support. Staff are keen to get involved too and we hope to see many teams at the upcoming Quiz Night which is being organised by the PTFA and will be a lovely opportunity for staff and parents to connect and raise funds in a relaxed, social setting.

Thank you, as always, for your ongoing support and partnership. Wishing you a restful and enjoyable weekend.

Year 11 Netball tournament.

On Tuesday 14th October we travelled across to the picturesque Exeter School who hosted the tournament. It was a privilege to be invited alongside Maynard, Blundells, Exeter School QECC and the mighty ClystVale.

We knew by the standard of schools attending we would need to play our finest Netball and the girls did.

We started off against Maynards , the girls were looking fabulous in their new dresses and the girls played well. It was end to end action and our mid court players to keep up with play. Grace, Kate, Lucia Holly and Sophie b were kept busy all afternoon. Narrowly missing out Maynard took to win of 10 -6.

Next we played Blundells, we started off netted the first goal and half time score was level playing at 4.4. attacking Esme and Imogen got into their flow and were netting the goals nicely. After a nasty injury for busy Sophia b in mid court. Full commitment in mid court Blundells fought back taking lead.

We played host Exeter school and then followed by QECC. As the tournament played out our girls played some of their best a Netball. The standard of netball was high and intense, the girls raised their game and should be very proud for their performance throughout the day.

Vanessa and Sophia M in defence were working their socks off and made me immensely proud of their performances.

Our team at ClystVale were made of 9 talented individuals, only two who play in a Netball league outside school. Yet as a team Tuesday they played together strong.

From a proud Mrs Broomfield

History House Competition

Remembrance Day 2025

Every year on **November 11th** we remember the soldiers who died in World War I, and all of those people who have died and suffered in wars in the past and present. At Clyst Vale we have the **Harry Patch Garden** to help us remember.

We would like you to come up with your own ideas for how we can commemorate **Remembrance Day** this year.

Here are some ideas from previous years:

A drawing

A model

A poem

A Speech

We even had a cake one year!

Maybe you might take your inspiration from Harry Patch, or you have your own family story about someone from your family who has fought in a war.

All entries to the History Department by

Monday 3rd November

House points for all entries and prizes for the winners

ROAD SAFETY

We kindly ask all parents and carers to speak with their children about the importance of road safety when walking to and from school. We have received several concerning reports of students running, pushing, and stepping into the road without due care, which poses a serious risk to their safety and that of others.

Please remind your child to:

Use designated crossings where available.

Stay on the pavement and avoid walking or playing near the road.

Be mindful of traffic and avoid distractions such as mobile phones or headphones.

Walk calmly and respectfully with others.

Your support in reinforcing these messages at home is greatly appreciated and helps us keep all our students safe.

Thank you for your cooperation..

Important Online Safety Notice for Parents and Carers

We would like to make our school community aware of a concerning issue that has recently come to our attention.

A large group chat has been identified on social media platform **WhatsApp**, involving young people from multiple school settings in Devon. We have been advised that some of the content being shared within these groups includes **explicit imagery** and **harmful content**.

We are urging all parents and carers to please speak with their children about the importance of **online safety** and the **responsible use of social media**. Please encourage children to be open and share with you their Social Media usage in particular ensuring your awareness of group messaging. These conversations are vital in helping young people understand the risks and consequences of sharing or viewing inappropriate content online.

Please be assured that the **police are aware** of these groups and are currently conducting enquiries.

For guidance and support on how to talk to your child about online safety, please visit the following trusted resources:

Science and Food Technician

Salary Grade B £20,459 actual

Starting in November, we are looking to recruit a Science & Food Technician. This is a permanent role, working hours 35.5 hours per week Monday-Friday, 39 weeks of the year.

This role would be ideal for someone who may be looking at a career in teaching and wants to gain first-hand experience of working in a school.

We will also consider applications from candidates who just want to be considered for one of the roles.

For full details and to apply, please either visit our website: <http://www.clystvale.org/vacancies/> or email recruitment@clystvale.org

Exam Invigilator

£14.72 per hour including holiday pay

Starting as soon as possible, we are looking to recruit exam invigilators. This is a casual role, and hours are flexible, varied and can fit around other commitments

For full details and to apply, please either visit our website: <http://www.clystvale.org/vacancies/> or email recruitment@clystvale.org

Attendance, Absence and Requests for Absence

Reporting an Absence

If your child is absent due to illness or a medical appointment, please report their absence, along with the reason, via the My Child at School **desktop browser**. Alternatively, you can complete the Absence Notification Form using the link below or email :

studentabsence@clystvale.org.

[Absence Notification Form](#)

If your child is in Year 12 or 13, please report their absence to voyseys@clystvale.org.

Absences must be reported daily for the duration of your child's absence.

If you know in advance that your child will be away from school, please inform us at your earliest convenience.

Additionally, kindly notify us of any lateness or scheduled appointments.

The school actively follows up on unexplained absences. If your child is absent for an unauthorised event, the details may be referred to the Educational Welfare Service which could result in a fixed penalty notice. Please be aware that the College may request supporting documentation for any absence.

Typically, work is not provided for students during their absence, as our priority is to ensure they recover fully and return to school as soon as possible.

Lateness

Attendance is formally recorded twice daily: in the morning at 8:50am and in the afternoon at 2:10pm. It is essential that students are prepared to begin their tutor period promptly at 8:50am and are punctual for each subsequent lesson.

As required by law, registers must be taken in a timely manner, and there are consequences for lateness. Students who arrive after registration closes will be marked as late, and those arriving after 9:25am will receive an unauthorised mark.

If a student is absent without prior notification, we will inform parents/carers as soon as possible if your child has not arrived at school in the morning. To ensure prompt communication, parents/carers are strongly encouraged to keep their contact details up-to-date via the Bromcom App.

Attendance is recorded during every lesson to monitor internal truancy and comply with safeguarding regulations. Students are required to sign in upon late arrival or sign out if leaving during school hours. Parents/carers must notify the school and provide a valid reason for their child's departure.

No student may leave College without authorisation from staff under any circumstances.

Students feeling unwell must report to reception and are not permitted to contact parents directly through phone calls, texts, or messaging apps to request collection.

Medical Appointments

We encourage students to maximise their attendance, as research highlights a strong correlation between regular attendance and examination success.

Many medical appointments can often be scheduled in a way that allows students to attend school both before and after their appointments. By doing so, they can minimise missed learning opportunities while maintaining high attendance levels.

We kindly ask parents/carers to ensure that their child attends morning registration, even if a medical appointment is scheduled later in the morning. Similarly, where possible, afternoon appointments should be arranged after **Period 4**, during lunchtime. We also encourage students to return to school following lunchtime appointments, if feasible.

Thank you for your continued support in helping your child achieve maximum attendance and academic success.
