## Principal's Update

**Sara Jacobs**

Principal

Dear Parents and Carers,

Yesterday, our College community gathered to commemorate the 80th Anniversary of VE Day. Staff and students observed a two-minute silence to honour those who served and suffered in wars, paying tribute to the millions who have died or been wounded, as well as those whose lives were forever changed by war. The highlight of the day was a lively 1940s-themed street party held at lunchtime, where our History club students were specially invited to join. This event provided a wonderful opportunity for students to immerse themselves in the era and celebrate the spirit of unity and resilience that VE Day represents.

As you may have noticed from my previous messages, the exam season is now in full swing. This week, students sat their first exams of the Summer series in the hall. Starting next week, we will be adjusting the College timetable to have an early lunch from 12:25 – 1:10 pm to accommodate afternoon exams. This means tutor time, period 4, and period 5 will take place after lunch. This change aims to minimise lunchtime noise during afternoon examinations and ensure our exam students have ample time for lunch before their exams. Best wishes to all our Year 11 and Year 13 students and thank you in advance to parents and carers for your continued support over the coming weeks.

While we strive for the best academic outcomes, it is important to reassure your child that grades do not define them as a person; their worth remains constant, regardless of exam results. For those not taking exams, please remind them of the importance of being considerate to those who are. Although most exams are held in the main hall, we also have exams in smaller venues such as offices, meeting rooms, and IT rooms. Students need to pay attention to signage, be mindful of where exams are taking place, and keep noise to a minimum as they move around the College. We would value your support in reinforcing this message at home.

Finally, good luck to all our students participating in the Ten Tors Challenge this weekend. I would like to publicly thank Chris Eales and Michelle Barratt along with all our parent/carers volunteers who have dedicated their time to support training events and who will be there to support our students this weekend. We couldn't do this without you, and I look forward to seeing you all at the event when I join you on Sunday.

Have a lovely weekend.

Sara Jacobs, Principal

## VE Day—80 Years

8th May 2025 is a very important day. It was 80 years ago that the War in Europe finally came to an end. After almost 6 years, and dreadful suffering, the War in Europe finally ended. PM Churchill told everyone that we should enjoy a "brief moment of celebration" and celebrations were held in London and in every town and village in the UK. Sadly the War against Japan carried on until August 1945 but for the people of Britain 8th May was a day to celebrate.

The History department, here at Clyst Vale, decided that we should mark the day by holding a tea party. We invited students from years 7 to 13 to celebrate with us at lunchtime. We had flags and bunting and Vera Lynn singing in the background.

We also had some personal stories of how people locally remembered VE day, with photos and written recollections.

A good time was had by all and we commemorated a very special day, in some style.

Mrs Padden

# STUDENT WORK

Year 7 students have created beautiful flower verbs to help them remember the conjugation of the verb 'to be' in French.

## Exeter and District Athletic Trials

Round one of Devon Schools athletics took place on Thursday at Exeter Athletics Arena with a talented group of students competing under the Clyst Vale banner. Sprinters Joe, George, Evie, Emily and Rudy all ran well and many doubled up with jumps into the pit. Harry in Year 10 triple jumped brilliantly and Harry from Year 8 showed great talent in the high jump against many students a year older than him. Evie won her high jump leaping and clearing higher than her competitors. Over distance Kate and Ruthie ran well, with Willow also pushing hard in the 800m. Daisy was another star on the track and won through her 1500m with a high tempo, unrelenting pace that blew away the other runners. Great work with many students going through to Round Two versus the students from East Devon Schools.

## Year 7 Good Luck Messages

As part of the tutor time programme this week the year 7s have been writing postcard messages to year 11 students wishing them luck in their exams. The tutor and sports captains hand delivered them to year 11 tutor groups this morning.

In C42 one class also spent a lesson thinking about the importance of random acts of kindness and created a chalk good luck entrance to the year 11 exam hall.

It is so lovely to see our year 7's thinking about others and how they might feel around exams- hopefully it gave the year 11s to boost too! A great rights respecting project encouraging empathy across the school community.

*Good luck!*

## News from Post 16

### Goodbye, Year 13

Every year it is with great sadness - but at the same time with a sense of excitement for the future unfolding before them - that we say goodbye to our lovely Year 13 students. This year is no exception; we will miss each and every one of Year 13, who have all been integral members of Post 16 over the last 2 years, contributing to its warm, friendly and convivial atmosphere. As is our custom, we held a lunchtime BBQ for our departing students and it was very fitting that the sunny May weather smiled down on them.

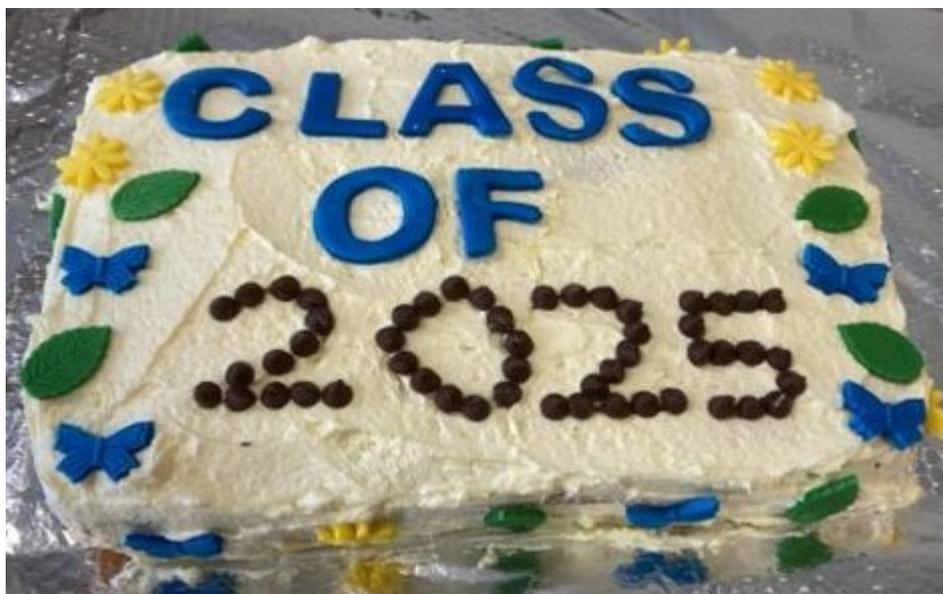

Although some students who chose BTEC subjects alongside Art will have virtually finished all components of their courses by the end of Friday, there are others who have exams until 20th June and will, in the main, continue to attend timetabled classes for teacher-led revision until then. We look forward to celebrating the end of all exams with students on the evening of 20th June - a letter will be on its way shortly to parents, confirming all of the arrangements for the Y13 Prom.

### VE Day celebrations

Mrs Padden and the History team, ably assisted by the Year 12 History students, held a lunchtime celebration to mark 80 years since VE day was announced, in 1945. Union Jack flags, scones with jam and cream and a soundtrack heavily featuring Vera Lynn were the order of the day. HU7 was packed with students who came not only to sample the treats on offer, but also to peruse artefacts relating to the wartime period and to reflect, following the 2 minutes' silence observed at midday.

### Ten Tors

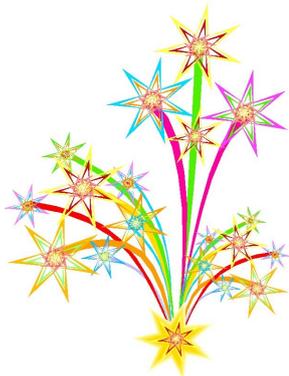

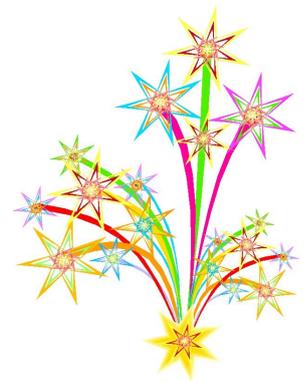

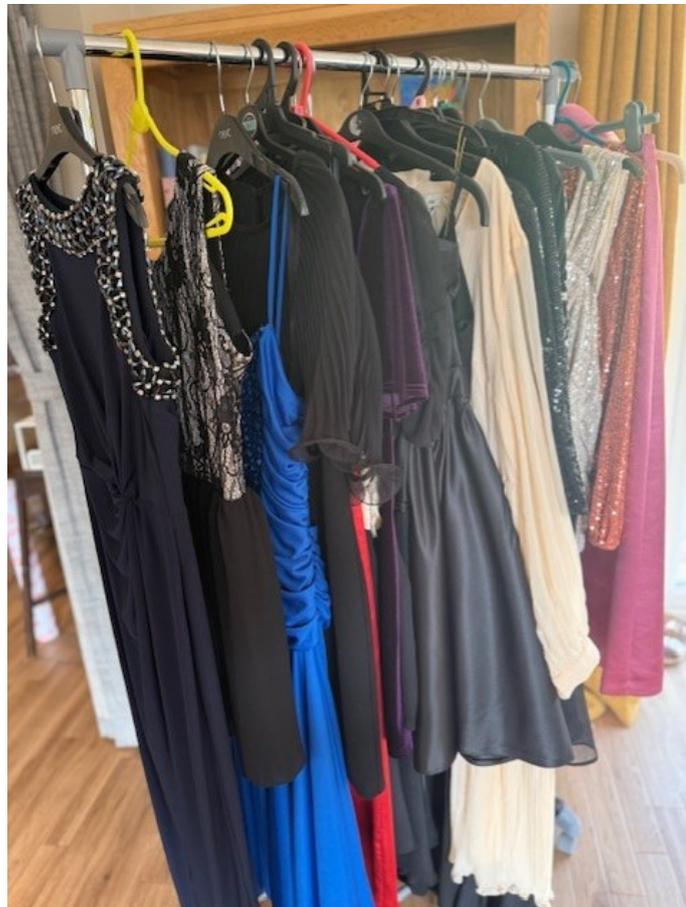

Very best of luck to our 4 students attempting the 55 miles Ten Tors challenge over the coming weekend - Millie, Nina, Finley and Joshua. We look forward to hearing all about it on Monday - if you are able to stagger into school, that is!

## PROM

In previous years, Year 11 students at CVCC have benefited greatly from having the opportunity to loan prom wear items, for a small cost, from a collection of donated garments school that the college hold. The PTFA recently made contact with the local Clyst Caring Friends charity shop in Broadclyst, who kindly donated around 20 more dresses to the College. Added to the stock that the College already had, we are now seeing the beginnings of a great collection of styles and sizes of dresses. These are being displayed, with a small selection of suits, on a rail in school office area. Students are invited to view and try these on during lunch breaks and this should be arranged via Student Services.

The committee are excited about the potential to work with the College staff and to continue to grow this collection in the future and we are asking the current Year 11s to consider donating any unwanted garments, after their own prom, to the school for use for future years. Likewise, any other prom-worthy garments that anyone has that they would be happy to donate, the PTFA would be most grateful to receive them!

## Summer Term Dates

# Attendance, Absence and Requests for Absence

## Reporting an Absence

If your child is absent due to illness or a medical appointment, please report their absence, along with the reason, via the My Child at School **desktop browser**. Alternatively, you can complete the Absence Notification Form using the link below or email :

studentabsence@clystvale.org.

### [Absence Notification Form](#)

If your child is in Year 12 or 13, please report their absence to [voyseys@clystvale.org](mailto:voyseys@clystvale.org).

*Absences must be reported daily for the duration of your child's absence.*

If you know in advance that your child will be away from school, please inform us at your earliest convenience.

Additionally, kindly notify us of any lateness or scheduled appointments.

The school actively follows up on unexplained absences. If your child is absent for an unauthorised event, the details may be referred to the Educational Welfare Service which could result in a fixed penalty notice. Please be aware that the College may request supporting documentation for any absence.

Typically, work is not provided for students during their absence, as our priority is to ensure they recover fully and return to school as soon as possible.

## Lateness

Attendance is formally recorded twice daily: in the morning at 8:50am and in the afternoon at 2:10pm. It is essential that students are prepared to begin their tutor period promptly at 8:50am and are punctual for each subsequent lesson.

As required by law, registers must be taken in a timely manner, and there are consequences for lateness. Students who arrive after registration closes will be marked as late, and those arriving after 9:25am will receive an unauthorised mark.

If a student is absent without prior notification, we will inform parents/carers as soon as possible if your child has not arrived at school in the morning. To ensure prompt communication, parents/carers are strongly encouraged to keep their contact details up-to-date via the Bromcom App.

Attendance is recorded during every lesson to monitor internal truancy and comply with safeguarding regulations. Students are required to sign in upon late arrival or sign out if leaving during school hours. Parents/carers must notify the school and provide a valid reason for their child's departure.

No student may leave College without authorisation from staff under any circumstances.

Students feeling unwell must report to reception and are not permitted to contact parents directly through phone calls, texts, or messaging apps to request collection.

## Medical Appointments

We encourage students to maximise their attendance, as research highlights a strong correlation between regular attendance and examination success.

Many medical appointments can often be scheduled in a way that allows students to attend school both before and after their appointments. By doing so, they can minimise missed learning opportunities while maintaining high attendance levels.

We kindly ask parents/carers to ensure that their child attends morning registration, even if a medical appointment is scheduled later in the morning. Similarly, where possible, afternoon appointments should be arranged after **Period 4**, during lunchtime. We also encourage students to return to school following lunchtime appointments, if feasible.

Thank you for your continued support in helping your child achieve maximum attendance and academic success.
